City Considers Recreation Aid

A new "Park and Recreation Department" will be included in the 1966-67 budget for the city of Canyon, according to proposals heard in a special meeting of the city commission Monday night.

Orchestra To Debut

Debut performance of the University Chamber Orchestra will be held at 3 p.m. Sunday in the Fine Arts auditorium at West Texas State University. The group of 35 select musicians is conducted by Theodore Madsen, also assistant professor of violin at WTSU. Madsen will be featured in Bach's "E Major Violin Concerto."

Other numbers to be offered in the Sunday concert will be Bartok's "Rumanian Dances"; "Oxford Symphony" by Haydn; and the "Concerto for Four Violins" by Valdi. The concert is expected to last approximately an hour and a half.

A relatively new organization in the music school which has already shown much potential and development, the University Chamber Orchestra has previously performed as an accompanying orchestra for the University Chorus. It shares also in the musical responsibilities of opera and musical comedy productions. Most significant asset of performance in the orchestra is the exposure to so great a variety of fine music, of all eras and styles, and the group will continue to fulfill these duties while increasing its activity as an independent musical unit.

Commissioners met with new city manager Gary Gwyn, departing manager Dewey Bryant and Mayor C.E. Thompson to conduct budget hearings, which included a proposed \$3196 budgeted to the newly designated department.

The city division will replace the former Parks Department, for which expenses of \$1878 have been estimated for the 1965-66 fiscal year.

Recreational duties of the city which have been discussed by commissioners for possible inclusion in the coming year consist of assistance in care of ballpark grounds and payment of power and light costs for ballparks during the summer months. Major differences in the two budget figures are due to a suggested increase of \$600 in a caretaker salary in anticipation of added duties, as well as an estimated \$500 in power and light expenses.

Museum Addition Bids To Be Read Tuesday

Four floors of new exhibit space, for fields from natural history to transportation, have been designed for the proposed addition to Panhandle-Plains Historical Museum, and bids on the contract for the wing will be opened February 8.

According to museum director Boone McClure, awarding of the contract is subject officially to approval of the State Board

of Regents, due to the more than \$300,000 appropriated by the state to West Texas State University for construction of the wing. Regents meet February 25.

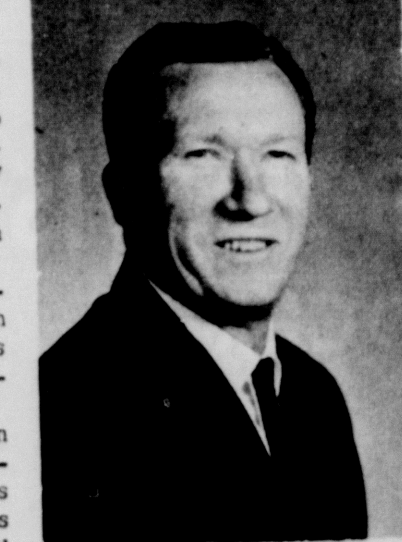

Under the contract, builders are given 400 days to complete the project, which will make it possible to exhibit many more art and history treasures owned by the museum, in a more attractive and effective way. Estimated cost of the addition is \$800,000.

No windows are included in detailed plans drawn up by Amarillo architects John L. Hannon

Killgore Meeting Is Held

A meeting of the Killgore Association was scheduled for yesterday evening, Wednesday, with members of the Amarillo Foundation as invited guests.

According to Dr. Alfred Kraus, director of the Killgore Research Institute, principle speaker for the evening was to be Dr. Stafford Warren. Warren has been working for some time for establishment of small medical schools throughout the nation, and discussion was expected to center on the possibility of securing a medical school in this region, to be participated in by West Texas State University.

Music Group Here Today

The six folk singing "Sundowners" will be among several ensembles appearing here at 4 p.m. today, Thursday, with the University of Texas men's glee club.

The thirty-voice glee club will be presented in the Fine Arts auditorium at West Texas State University. Public is invited and admission is free.

A varied repertoire will be offered by the glee club, and a number of ensembles will be featured, including the popular six-member folk group. The glee club is under direction of J.G. Martin.

The special appearance has been arranged by the recently formed special programs committee, whose chairman is Dr. Crannell Tolliver, head of the speech department. Members of the committee include Student Senators Presley Yarbrough and John Mann. Its purpose is to bring cultural, entertaining and educational programs in which students and public are interested to the campus.

House Is Destroyed By Blaze

The Elvin Lamb house twenty miles northwest of Canyon was destroyed by fire last Wednesday, January 26, according to Fire Capt. Joe Rice.

Roy Lamb donated \$100 to the Canyon Volunteer Fire Department said Rice, following the fire. Five units of the Department were called to the blaze at 5:01 p.m.

Total damage was also done to two well houses during the past week. The first fire occurred

Girl Scout Cookie Sale

Annual cookie sale by the Canyon Girl Scouts will begin Friday, February 4, and run through February 12.

The week-long annual drive will be conducted door-to-door by the Girl Scouts, according to Mrs. Dean Nicholas, chairman.

Assorted flavors will be available, including chocolate and vanilla cremes, Savannahs, Scot-Teas and Mints.

The cookies sell for 50 cents per package, and advance orders will be taken with delivery set for March 12-19.

Calendars Delivered

Any person who ordered a 1966 Band Calendar and has not yet received it should contact Raymond Raillard, Band Parents Club president. The calendars will be delivered, said Raillard.

Calendars were received by the club early in January and have been distributed to the purchasers by mail and in person.

5,000 Plus Poll Taxes Are Paid

Poll tax receipts totalling 4,500 to 5,000 were issued in Canyon according to a spokesman for the Randall County tax office. Reports and estimates from sub-offices throughout the county were not available at press time.

Officers To Continue Quest For Statements

Business As Usual DA Dowlen Says

George Dowlen this week said that in spite of a ruling by District Judge Gene Jordan last week in the Fesmire case a policy of business as usual will be followed in obtaining statements from defendants in Randall County.

Dowlen, Randall county criminal district attorney, said he will continue to get statements when possible and then will follow up by trying to get them

introduced in evidence when the accused comes to trial.

Last week Judge Jordan announced that no more confessions will be admitted in 47th District Court unless counsel has been appointed for the defendant before the confession is taken.

The precedent-making statement was made by Judge Jordan as he refused to admit into evidence a statement alleged to have been made by Felix Wesley Fesmire.

Fesmire, 17, subsequently was found not guilty in the shooting death of William Meadows, an Amarillo police officer, June 8, 1964.

"I don't want another confession brought into my court in which an attorney had not been appointed," Jordan declared.

Fesmire gave the statement Nov. 8, 1965 to Deputy Sheriff Merle Strickland. It was signed in the presence of Justice of the Peace W.A. "Bill" Wilson and District Attorney Dowlen.

"We will continue to get statements from suspects as provided under the law," Dowlen declared Tuesday of this

Two Local Elections Scheduled

Two important local elections are scheduled for April.

They are the school board election and the city election.

George Ritter already has announced for re-election to the Canyon city commission. Terms of Mayor Clarence Eugene Thompson and Commissioner Jack Haley expire this year. Neither have announced candidacy as yet.

Terms of Newton Crain and Walter Graham as school board members expire this year.

Cold Damages City Streets

Streets and highways have been badly damaged in spots by precipitation combined with alternate freezing and thawing temperatures.

City officials say it will be the latter part of this week before damage to streets may be fully assessed.

In the meantime, the mercury dipped below zero one night during the past week. A cold front plunged the temperature to 6 degrees Friday of last week and then carried it to 3 below Saturday.

Low temperature Sunday was 7. Monday, 21; Tuesday, 10; and low Wednesday morning was 14 degrees.

Crops and livestock are in fine shape following an unusually lengthy period of sub-freezing temperatures, snow and ice, according to County Agent John Brazzil.

"We're glad to have the open weather again," he commented.

CHS Parents Plan Events

Parents of seniors at Canyon High School are urged to attend a called parents' meeting Monday evening, February 7.

The session will be held at the CHS study hall beginning at 7:30 p.m. and is designed to plan a number of social events which will honor the seniors during spring commencement.

Miss Green To Attend All-State

Nancy Green, Canyon High School junior, was selected Saturday to represent the entire West Texas area in the All-State Band, which will meet February 10-11 in Dallas.

Miss Green was named first among fifteen flute players at the contest in Lubbock, which included four University Inter-scholastic League regions,

Canyon Men Awarded Scout Silver Beavers

night.

Receiving the award were Battle Harris and Levi Cole, both of Canyon. Other silver beaver awards were presented to Lorin Creitz of Vega and G.C. Ratliff of Amarillo.

Levi Cole, president of the First National Bank, had been a resident of Canyon for ten years when he first became involved with scout work in 1933. A native of Lockney, Cole came in 1923 to Canyon where he was associated with the First National Bank.

"Troop 30 was the only troop we had then," commented Cole. "I'm proud of my boys... they

have all turned out to be outstanding members of the community."

"I spent a lot of nice hours with the boys building fires and on camping trips," Cole said. "I used to keep my Model T piled from top to bottom with scouts when we went out to Canyon City Club for overnight trips."

"We had one boy who always brought a can of peaches on our camping trips," laughed Cole, "and by the time he had traded peaches for hamburgers and other things he always seemed to come out best."

Canyon To Observe Scout Anniversary

Canyon is preparing to celebrate the fifty-sixth anniversary of the Boy Scouts of America, as it recognizes National Boy Scout Week February 7-13.

A wide range of activities is scheduled for the 439 boys who make up thirteen units of scouting in Canyon, where many adults provide skilled leadership of the Cubs, Boy Scouts and Explorers.

There are 100 kinds of merit badges which may be earned, according to Meredith Warren, and for each of these there must be a counselor, or someone trained or practiced in that field.

"I think it's particularly noteworthy," said Warren, "that here in Canyon almost all the counselors are high school and junior high teachers who do this in their spare time."

Boys may begin their scouting experience at the age of eight, and a campaign for Cub

Scout membership among boys of this age is underway currently. Boys interested in joining may contact Gene Morrison, OL 5-3411 or OL 5-3510.

Cubs meet weekly for an hour, learning such things as how to use a saw, hammer and nails; cooking; and the flag salute and proper pledge of allegiance. Activities include occasional visits to the courthouse, jail, fire station and other points of

Death Claims Borden Price

Panhandle young people lost a good friend Sunday with the death of Oscar Borden Price, coach, athlete and teacher.

Mr. Price died on a plane en route from Buffalo, N.Y. to Amarillo. He had been a patient at Roswell Park Memorial Institute.

Borden was born Sept. 7, 1916 at Willow, Okla. He was married Jan. 16, 1943 in San Angelo to Miss Imogene Davis of Turkey. He came to Canyon in 1937 as a student, having been graduated from Springlake High School.

Borden Price was an outstanding basketball player on the Buffalo team during years when the West Texas State roster was star-studded.

He was a varsity letterman on both the football and basketball teams at WT during his college career. He served as captain of the Buffalo basketball team in 1940-41. His team played in some top national competition.

He left school in 1942 to enter the Air Force. He was a bombardier during the war and held the rank of first lieutenant.

Mr. Price was an Air Force hero during the war. He was awarded the Air Medal and the Distinguished Flying Cross, one of the nation's ranking military decorations.

Box Supper Honors Dad

Annual Father-Daughter banquet for Canyon Girl Scouts and Brownies will be held Friday evening, February 4, at Rex Reeves Elementary School cafeteria.

The annual box supper will begin at 7 p.m. with invocations given by Diane Williams and Nancy Petruccione.

Susan Brantley will serve as mistress of ceremonies for the program.

Following the supper, the group will adjourn to the all-purpose room for a program presented by each troop of Brownies and Girl Scouts, interspersed with special entertainment by members of the senior Girl Scouts.

Featured on the program will be skits, songs, dance and readings by the girls.

FROM THE

CANYON RIM

Most law enforcement people will tell you that criminals, especially those guilty of murder and rape, sometimes feel pangs of remorse and want to get it off their chest.

It's then that most confessions are given.

I've covered courts for almost 20 years now and I've reduced to writing at least 30 court cases involving crimes of passion.

I've seen only one so far in which there was a conviction without a statement from the defendant.

E.T. "Dusty" Miller was the defense counsel in the first murder case I ever covered back in 1947 at Stinnett in Hutchinson County. His client had given a statement but Dusty got him off with only 12 years.

"Young man," he told me, "If you ever go down to Huntsville, look around. There's not any deaf and dumb people down there. People who don't talk

too much don't go to the pen."

No defense counsel worth his salt would allow a client to make a signed statement of any kind, much less a confession of guilt.

If a stenographer is not on hand soon after the pangs of remorse hit the criminal, the chances of getting a statement from him are small.

Make presence of defense counsel mandatory and the chances are nil. Remove the possibility of getting a statement and you take away law enforcement's most potent tool, the criminal's guilty conscience.

I know that in times past statements have been wrung from prisoners by methods little short of torture. A law enforcement officer who would resort to such tactics deserves to be in jail himself.

I think that a man accused of crime is entitled to all possible protection of his rights. I do not think that that protection should extend to gagging him when in a fit of contrition he insists on telling the truth.

If no more confessions are allowed in evidence in the courts of this state, then we have taken a giant stride back toward jungle law. Under this hard code

a man must look not to society but to the brute strength of his own hands to provide protection for his family.

I had a lay over at Lubbock airport on a trip to San Antonio last week. The air terminal at Lubbock is not nearly as busy as the one at Amarillo.

I think the Amarillo area has opportunity for tremendous growth if only because it is a cross road of the country.

The terminal at Amarillo is bubbling with life and industry even in mid-afternoon on Thursday in the dead of winter.

I attended a meeting of the Texas Press Association at San Antonio. We had high ranking officials of some dozen federal agencies on the program.

Texas newspapermen asked questions but those questions were guarded, especially with bureaucrats with investigative powers.

Not even the newspapermen of Texas want to draw Big Brother's attention to themselves.

Harassment potential of a federal investigator is awe-inspiring.

Texan of the year this year is Dale Evans, charming wife of Roy Rogers. Dale and Roy are TV heroes of small fry. Dale is a great lady and a great Texan. I shall never forget her speech in accepting the Texan of the Year Award.

Final tabulation on poll tax payments will not be in until the latter part of the week but first count indicates that voting strength in Randall County will be less than last year--an off election year.

It will be only about one third of the voting strength in 1964--a Presidential election year.

Lion Ladies Night Is Set
Canyon Lions Club will hold a ladies' night dinner Thursday night of next week in the green room of the West Texas State University cafeteria.

The affair will begin at 7 o'clock.

In charge of preparations is Oscar Hinger. He said the dinner will be a Sweetheart Banquet. Entertainment will be provided by a barbershop quartet.

Wes Fisher, Hereford, assistant manager of the Holly Sugar Plant at Hereford, was guest speaker Wednesday noon at a regular meeting of the Lions Club.

Building Is Sold
Hosea Foster, Clyde Alsop and Jimmy Christopher have purchased the old First National Building at Fourth Avenue and Fifteenth Street from T.S. Stevenson, Sr.

Use to be made of the building has not yet been announced.

Let's Join Hands Theme For WSCS

"Let's Join Hands" was the theme for a program of the Woman's Society of Christian Service of the First Methodist Church Tuesday morning.

A panel discussion of "Inclusive Church Problems" of several nations was presented, with Mrs. Alfred Bellah in charge.

Membership Campaign For Jaycees

A membership campaign is currently being conducted by the Canyon Junior Chamber of Commerce.

Regular Jaycee meetings are held each Tuesday evening at 7:30 p.m. in the Green Room of the west cafeteria at West Texas State University, according to Meade Michael, president.

Young men of the area between the ages of 21-35 are eligible to participate in the local club and its projects. Jaycee members will be contacting eligible men of the community, and those not contacted are invited to attend any meeting of the club.

Associate memberships are also available for men older or younger than membership ages 21-35. Associate members participate in all projects and activities of the clubs with the exception of elections and office holding, according to Michael.

Chairmen for the membership campaign are Wayne Edmondson and Weymon Brown. All members will participate in the annual drive, with the losing team responsible for duties at the armory following the annual Jaycee installation banquet set for early March.

Snappy 8 Discussion Of Events

Discussion of the upcoming father-daughter banquet and the Girl Scout Cookie sales were conducted at a recent meeting of Snappy 8 patrol of Girl Scout Troop 14.

Mrs. J.C. Bellah, leader, was in charge of the meeting as the girls practiced a song. Refreshments were served by Sheryl Bellah.

Attending the meeting were Teddi Crager, Sheryl Bellah, Kaysee Martin, Linda Baldwin, Patty Ormsby, Susan Hull, Cindy Baldwin and Mary Starnes, a guest.

McCarter Re-elected To Library Position

Mrs. T.B. McCarter was re-elected president of the Randall County Library board at the annual meeting recently.

Also elected to the offices of the board were Mrs. Claude Boatman, secretary, and Mrs. T.V. Crouse, treasurer.

Introduced as new members of the board were Mesdames S.B. Louder, Claude Boatman, Weldon Hager, Charles Smallwood and Don Sheffy.

Members of the board with continuing terms include Madge Culbertson, Mrs. Murphy White, Mrs. Truett Hull, Mrs. T.V. Crouse, Mrs. Cristler Crain, Mrs. Benny Cooper, Mrs. Johnny Raymond and Mrs. T.B. McCarter.

Annual reports of the treasurer, secretary and librarian were given at the business session. The librarian, Mrs. Chester A. Pierle, reported that the library has "some 205 new readers, a total of 275 new books on the shelves bringing the total shelf capacity to 2,708."

Letter To The Editor

Jan. 31, 1966.

Mr. Troy Martin, Publisher Canyon News, Texas

Dear Sir:

I am enclosing my check for \$5.00 for another year to Canyon News. This is the 57 year I've been a reader of the Canyon Paper. There has been many changes in the name of the paper. And also many changes in the City of Canyon.

When my folks moved to Canyon, the College was under construction. I was one of the first enrollees. Not the first. We started to school in Court House and all of the churches until the building was completed. I played on the first Football team in 1910. I have not lived in Canyon for the last 25 years but try to keep up with the events as they happen by reading the Canyon News. I still have a Sister at Canyon. Mrs. Carl Heizer, and one at Hereford,

Mrs. N. E. Gass. And I make Canyon and the Plains once or twice a year. Have attended many Homecomings at The College.

Yours truly,
O. E. Hensley

Fun 'n' Folk

BY LINDA LOVE

For those of you who're looking for a different, relaxing and thoroughly pleasant vacation idea, here's a suggestion. The Delta Queen is a very gracious lady of the Mighty Mississippi, a sternwheel riverboat with a fascinating history, all the charm of the old steamboat days, and the convenience and comfort of any cruise ship. Her principal, and longest, journey into Spring and the romance of her past is from Cincinnati to New Orleans and back, a twenty day voyage which begins March 26, April 16, May 14 and twice in the fall. She makes stops all along the way, of course, for guests who have less time, or just to admire the azaleas of Natchez, perhaps. Travelers on the white riverboat are likely to enjoy special entertainment acts, or see a flock of two hundred giant white Pelicans, or attend a Masquerade Ball.

The only sternwheeler still "walking up the river" has seen action as a Navy vessel at one time, and has survived an ocean trip from San Francisco in her colorful career. Now her appearance is a special event for

all who love the river, and she receives the highest courtesy from boats and ships along the way, a charming reminder of the lovely and leisurely life still found from her decks. For those who haven't the time to go, there's a fascinating book which covers everything from steamboat history to natural beauties of the trip. It's called "Delta Queen" and was written by Virginia Eifert. To add a little more flavor, try a great new album called "Riverboat Days," inspired by the "Queen. It's by the Back Porch Majority, former replacement group for the New Christy Minstrels who are now displacing the Christies in popularity and sparkle.

'Becket' To Star 2 Seniors

Gary Tydings and Gare Brundage have been selected for lead roles in the Fine Arts Play "Becket", to be presented February 16-19 at West Texas State University.

The Jean Anouilh drama was a Broadway success with Anthony Quinn and Sir Laurence Olivier, and the popular movie version starred Richard Burton and Peter O'Toole.

The play is the story of the close friendship between Becket, martyred archbishop of England who became a saint, and King Henry II. It concerns the conflict which arose when the Saxon nobleman became archbishop and thereby enemy to the Norman king.

The drama will be directed by William A. Moore. Tydings, Hobbs, New Mexico, senior, will play the title role of Becket, and Brundage, Corpus Christi senior, will portray Henry II. Admission for the Branding Iron Theatre production will be \$1.50 for adults, \$1 for students, and admission by activity ticket.

Enrollment Predicted

Spring semester registration at West Texas State University is expected to reach 5,150, according to figures projected by Dr. James P. Cornette, president.

This total would include 3900 day students and 1250 evening enrollees. Deadline for registration is February 12. The estimate would place enrollment at slightly more than a 25 per cent increase over last year's for day students, with the evening class total up approximately 15 per cent.

Grandparents of the infant are Mr. and Mrs. W. B. Tompkins of Jonesboro, Arkansas, and Mr. and Mrs. J. E. Vandergrift of Cleburne.

Book Fair Is Monday

Books from poetry to science and fantasy to history will be featured at the Book Fair following the 7:30 p.m. Monday meeting of Gene Howe Elementary School Parent-Teachers Association.

The Book Fair will be held in the materials room, where 650 books from three publishing companies are on display until the end of next week. The effort is the principle project of the year for the Gene Howe PTA and constitutes the group's way of helping to build the library of the new school.

Books on display may be purchased by parents for donation in a child's name to the library. A member of the PTA will be on duty throughout the week for those who wish to look at the display. Companies represented are Follett, Children's Press and E.M. Hale. Program for the PTA meeting Monday night will be presented by the physical education department, under direction of Mrs. Kathryn McBride. It will feature the student body in tumbling and trampoline exercises.

Mr. and Mrs. Floyd Lassiter and Mr. and Mrs. Cecil Charles spent the week end in Tres Ritos, New Mexico, at Sipapu Lodge for a week end of skiing recently.

New WT Constitution Approved By Senators

A new constitution for the Students' Association of West Texas State University was approved Monday by the Student Senate in a meeting which brought the formation of several special committees.

Following ratification by a majority of ballots cast in a student election, the constitution will go into effect. According to state law, the Board of Regents may amend or repeal any portion of the document when, in its judgment, the interest of the University requires such action.

The Dean of Student Life, under this constitution, may amend or repeal a provision temporarily when he believes the University's interests require it, but his action remains valid only until the next meeting of the Board of Regents. Drawn up several months ago by a Senate constitution committee, the new document has been discussed for some weeks by the Senate and contains several innovations, particularly in regard to Association officers and their duties.

President, vice-president and secretary of the Senate are all to be chosen by student ballot. Among requirements for the president are a 1.5 grade point and registration in at least nine semester hours at WTSU. Duties of the secretary

are to be expanded, and this officer may receive a bonus of up to \$50 if his work is considered meritorious.

An Attorney General post is to be created, with the holder to have the same qualifications as the Chief Justice and to be appointed by the president. He would act as presidential advisor in legal matters, and powers would include determining validity of initiative and referendum petitions.

Chief Justice of the Student Court would be elected under the new constitution, while the four associate justices would remain presidential appointees. A second, Appellate, Court would be created and, composed of three faculty members appointed by the Dean of Student Life, it would have sole and final jurisdiction in matters of law in all cases of the Student Court.

Among other changes, an oath of office is provided for senators, and official yell leaders are provided for, not to exceed six in number, and including at least two male students.

Apportionment of the Student Service Fee, now \$ 27 per student for each regular semester, and \$9 for a summer session, is to be made by the Senate at least three weeks before the end of the spring semester.

Every organization wishing a part of the appropriations must present a report of its receipts, expenditures and budget for the coming year to the Senate, before it may be considered. Appropriation for the Students' Association shall never be less than \$1 per enrolled student.

Elections for sophomore, junior and senior Senate representatives, as well as for elective Senate officers, will be held in April, while freshman and graduate representatives will be elected in October.

The constitutional committee was headed by graduate Senator Robert T. Mansker.

In other action of the meeting, a committee was appointed to study ways of improving relations and communications between members of the student body and the administration.

Senator Gary Fletcher was asked to work with other students and faculty members in finding means of encouraging outstanding graduating students from area highschools to come to WTSU.

Another committee will work with members of the Student Union Board in studying present Student Union Building facilities and policies, as well as means of securing and using effectively funds for improvement of the SUB.

New for top farmers who've outgrown ordinary fertilizers.

Super Q.

After months of preparation, based on years of research, we're proud to offer new Super Q to top farmers in this area. Good news to men who need a better net return than they've been making with conventional or even premium fertilizers.

If your land is ready to use Super Q, this season could be your most profitable yet.

Super Q's scientifically-balanced combination of plant nutrients is custom-made for superior growers only—men who already get consistently high returns. They choose the best seed, always use effective weed and insect controls . . . and prepare their land with the best fertilizers. In complete management programs like this, Super Q insures top dollar returns on your investment.

You can forget numbers on the bag. Your Super Q formula is the result of thousands of soil tests, taken only from highly productive land. This soil data, local crop requirements and climate conditions were all

computer-analyzed. The result is Super Q. Its advanced forms of basic NPK and other vital plant nutrients supply your crop everything it needs . . . in just the right amounts. Super Q is designed for this year's crop—but as conditions in this area change from season to season, Super Q will change with them.

Here's the best fertilizer around! One that's custom-made for this year's crop. That's why it's guaranteed in writing to outperform any other fertilizer in side by side comparisons.

Does Super Q really pay off? Last year it helped set a new record yield in the National Corn Picking Contest. Start with the best this year. See us today.

Super Q is formulated for the top farmer's grain sorghum in this area by Taylor-Evans Farm Stores, Inc., in West Texas

NOTICE OF SALE OF REAL ESTATE UNDER EXECUTION OF THE STATE OF TEXAS COUNTY OF RANDALL IN THE 47TH JUDICIAL DISTRICT COURT OF POTTER COUNTY, TEXAS JEWELL HILL, PLAINTIFF, VS. ELON S. HILL, DEFENDANT

WHEREAS, by virtue of an execution issued out of the 47th Judicial District Court of Potter County, Texas, dated January 20, 1966, on a judgment rendered in said Court on the 10th day of December, 1965, in favor of the said Jewell Hill and against the said Elon S. Hill, No. 42376-A on the docket of said Court, I did on the 31 day of January, 1966, at 6 o'clock P.M. levy upon the following described tract and parcel of land situated in the County of Randall, State of Texas, and belonging to the said Elon S. Hill, to-wit:

All of Survey No. Two Hundred Six (206) in Block Six (6), I&GN Ry. Co. Survey, Randall County, Texas, containing 660 acres, more or less, located six miles south and four miles east of the City of Canyon, Texas, and commonly known as the Elon Hill Section;

and on the 1st day of March, 1966, being the first Tuesday of said month, between the hours of 10:00 o'clock A.M. and 4:00

o'clock P.M. on said date at the east Courthouse door of said county, I will offer for sale and sell at public auction for cash all the right, title and interest of the said Elon S. Hill in and to said property. This sale shall be subject to existing indebtedness in favor of Federal Land Bank of Houston secured by a lien on said land as is more fully shown by the public records of Randall County, Texas.

DATED at Canyon, Texas, this 31 day of January, 1966.

Approximately one-half of the proceeds collected will remain in the local Girl Scout fund, said Mrs. Nicholas.

"The girls have done a tremendous job in the past with their cookie sales, and the new Scout building is a result of their fine work," stated Mrs. Nicholas.

"We are grateful to the people of Canyon who have supported the Girl Scouts in their program during the past years and hope that their help with the cookie sale this year will prove a big success," she commented. Senior Girl Scouts contacted businessmen last week, taking orders for the cookies by the case. Any businessman not contacted should notify the scouts.

Both Wilson and Strickland testified at Fesmire's trial that before Fesmire signed the statement he had been told of his right to counsel and warned that the statement might be used against him at his trial.

"When a defendant makes a statement, reads it, and then signs it after the justice of the peace has told him of his right to an attorney and warned him that the statement may be used against him, I don't see how anyone could say he has been deprived of his rights," Dowlen declared.

"I've slept out with the boys many nights," Cole stated. "During my last few years as a scoutmaster, my wife and Mr. and Mrs. D.A. Nicholas and I were always making hamburger patties together to feed our hungry scouts."

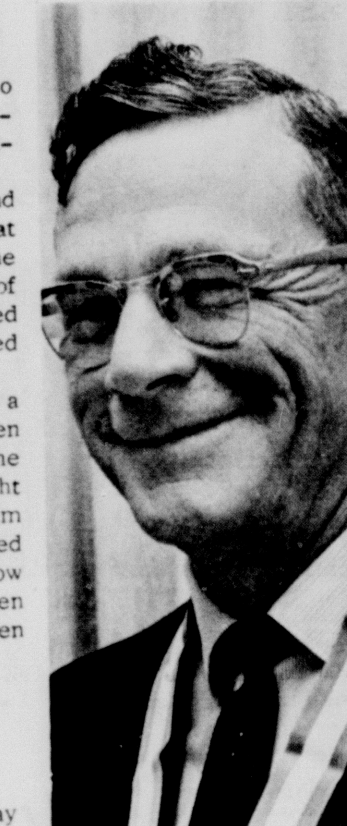

The late D.A. Nicholas served

LEVI COLE

as assistant scoutmaster of Cole's troop for a period of 5-6 years.

Cole worked with the Canyon Boy Scouts until 1946. A member of the Methodist Church, Cole is also active in the Chamber of Commerce, Lions Club, Rotary and other community affairs, including the Panhandle Plains Historical Society, which

W.B. "Battle" Harris began working with the Boy Scouts as an assistant scoutmaster in 1940 at Lorenzo. During 1941-42, Harris was a cubmaster in Floydada and later held the position of assistant scoutmaster in Floydada in 1943. In 1949, Harris was a scout troop committeeman with the Boy Scouts in Groom.

The Harris family moved to Canyon in 1952 and Harris began working with the Canyon Boy Scouts in 1954 as a troop committeeman. He has been a member of the Llano Estacado Council since 1960 and has held his current position as council advancement chairman of the executive board since 1964.

A salesman with Southern Engraving Company, Harris and his wife, who teaches at Rex Reeves Elementary School, have three children.

Their son Roy attained Eagle Scout and is presently a scoutmaster at Hereford, where he is a school principal. Ronnie, also an Eagle Scout, is presently a student at West Texas State University and is an assistant scout leader with Troop 197 of the First Baptist Church, where the family holds membership.

Mary Kathryn, daughter of the Harrises, is a sophomore student at Canyon High School.

A deacon of the First Baptist Church, Harris is a member-at-large of the Lions Club and holds the Scottish Rite degree in Masonry.

He received a teacher's certificate from Wayland Baptist College. He holds the B. A. degree from Texas Technological College in Lubbock and the M. A. degree from West Texas State University. Harris taught school for a number of years and was superintendent of schools at Groom for six years. He is a past president of the Texas State Teachers Association.

The 25 year veteran's award in the Boy Scouting program is held by Harris.

Presentations of the silver beaver awards were made by Dorsey B. Smith, O. W. "Bud" Parker and Dr. James

P. Cornette.

Recipients of the silver beaver award in past years have included the following Canyon men: Dr. J. A. Hill, C. E. Hill, Oscar Hinger, O.W. "Bud" Parker and Dr. James P. Cornette.

A plaque attendance award was presented to Dalhart by Tom E. Badrow, council camping activities chairman. The evening program was begun with an invocation by Rev. Richard F. Neal, rector of St. Peter's Episcopal Church in Amarillo.

Approximately 325 scout leaders from the Panhandle attended the annual dinner and program Saturday evening.

Special salute was given to boys who received the Eagle Scout honor during 1965. Canyon scouts saluted were Richard B. Warren, Lynn Salmon, Craig W. Parker, Curtis O' Donald, Eugene S. Bonds, Mark Raillard, Michael Brannum, Gene Myers and Rob Upfold.

Art F. Cox, president of Llano Estacado Council, gave the welcome and introductions of district delegates and the guest speaker.

Dr. Dan Procter of Houston was guest speaker for the dinner meeting. Procter is a member of the Executive Board of Region 9, Boy Scouts of America, which covers Oklahoma, Texas and New Mexico. Procter is past president of the Black Beaver Boy Scout Council, has received the Silver Beaver Award and Silver Antelope Award in his work with the Boy Scouts. He is also a member of the Executive Board of the Southwest Area of the Girl Scout Council and recipient of the DeMolay Legion of Honor Award for Oklahoma.

A former president of Oklahoma College for Women in Chickasha, Procter is president of the Star Engraving Company of Houston. He holds the bachelor's degree from East Central State College in Ada, Oklahoma, and master's and doctor's degrees from the University of Oklahoma. He held positions in the education field and was a charter member and past president of the Ada, Oklahoma, Rotary Club. Procter has held a number of club and international positions in the Rotary International and has travelled extensively in several foreign countries.

Joe V. Niedermayer, scout executive, conducted the ins-

tallation of council officers and executive board members for 1966. Officers installed were Art F. Cox, president; Cleo Clayton, Sr., Cliff Milner and John O. Colquitt, Jr., vice presidents; Dorsey B. Smith, treasurer; and W. B. Lawrence, assistant treasurer.

The executive board includes three Canyon men, W. B. Harris, Dr. James P. Cornette and O. W. "Bud" Parker. Other members of the board are Art Bralley, Ray Koehler, Ezelle Fox, T. W. Gilstrap, Bill Ledgerwood, Robert G. Lee of Happy, Richard J. Linke, Lorin Creitz, Jimmy Pigman, Col. James B. Baker, W. M. Wackenhut, Tom E. Badrow, G. C. Ratcliff, Dr. Hugh Sticksel, Richard Palmer, John K. Boyce, Jr., Dan Ethridge, John C. Crummond, Russell Davidson, L. Ray Vahue, Bruce J. Miller and Frank Baughman.

Honorary members of the executive board include Dr. J. A. Hill of Canyon, O. H. Finch, Lewis P. Fields, Lon D. Edwards, Don D. Harrington, H. A. Tuck, R. Earl O'Keefe, J. Leo Southern and S.G. Stockton.

Other points on the program included group singing; a trumpet trio and the closing ceremony led by Alfred Groves. Program committee included L. Ray Vahue, Floyd Garwood and Frank Baughman, chairman.

order of their applications according to Allen.

Regular directors meetings are held the first Wednesday of each month.

Several committees were appointed at the recent meeting. Keith Jones was named chairman of the planning committee. Other members are Carroll Vaughan, Jack Swartzell, Murphy White and J.D. Murchinson.

John Whinnery was appointed golf committee chairman. Assisting will be Allen, Charles Donnell and Chester Reynolds.

Swimming committee is headed by J.D. Byrd. Assisting are C.D. Hoover, Jr., Gene Morrison, and Mrs. Truitt Hull.

A.W. Lair and Gene McGlasson were appointed to the legal committee. Beautification committee includes Dr. Robert Jarrett, chairman, Charles Hillier and Roland Black. Zoning committee is headed by Bob Bellah, chairman, with Marvin Fite and E.M. Myers assisting.

Museum...

(Continued from Page 1)

Alternate plans call for use of limestone instead of the rock, which would make the exterior similar to that of the present museum building. Main entrance to the new wing would be at the north end of the building.

The four floors of the addition will feature a "new look," in various ways, and more efficient use of space will make it possible to expand attractions, particularly the popular pioneer village. Ceilings of the rooms will be nine feet high, as is that of the present basement. Upstairs rooms of the old building have ceilings of 16 feet, 7 inches in height. Adding to improvements will be removal of the boiler, and steam heat from the central campus plant will be used.

McClure turned to the plans for the basement, or first floor, of the wing. Here will be exhibits of paleontology--fossils and geology--and natural history, including the glass cases showing animals and birds in their natural habitats. Adjacent to this, in the older building, will be sections on archaeology and ethnology, history of the civilizations from pre-historic times through the present American Indian tribes.

On the ground, or second, floor the visitor will see displays of weapons, as well as an area devoted to transportation. The latter will include an old firetruck, for which there has never been room in the museum. Only half of the fire-arms in the building are now on display, McClure added. The picture album of the Old West will probably find a special place in this wing, also.

The older portion of the ground floor will be devoted to the pioneer village theme, which now includes a series of rooms and shops of the period, as well as an old bank. This will all be rearranged in sections, and additional attractions being planned are a country store, for which the museum has been collecting articles for years; a blacksmith shop, for which almost everything is also in storage in the building; a log cabin from a Goodnight line camp, which will be fixed up as a Plains settler's cabin; and a school and church.

Other pioneer and ranch displays will be set up, and McClure is considering creating a

"tack room," in which would be displayed saddles with bridles and other accessories.

The third floor will remain the art exhibit area, with a storage room consisting of racks constructed for easy handling and display of paintings. There will be continuous lighting of the exhibit rooms, avoiding bright spots and protecting paintings from the light and heat.

Fourth floor is to be the library, with a 31 x 14 foot film room and also wire cubicles for those who wish to check out books to study and work with. Walls will be lined with shelf cases, which will each have six adjustable shelves. On this floor will also be the filing area and office space, and the Texas Hall of Government, collection of papers of past and present state legislators, will be housed here.

Several alternates are included in the plans. Among these are the exterior building material, a passenger and a freight elevator, art storage racks and the library wall cases. McClure pointed out that \$87,000 is still needed in the building fund.

ber of Commerce Monday night, some 125 poll tax receipts were issued after the tax office was closed. The special booth was open until the deadline of midnight, according to Gerald Watson, chairman.

Canyon citizens will vote in several city and county elections as well as state level elections during 1966. Poll tax payment is not necessary for participation in federal elections; however, the registration deadline for federal elections was also midnight Monday.

Jaycee Film

A film concerning cancer in women was shown Tuesday night to the Canyon Junior Chamber of Commerce members and guests.

The film was designed to urge the young men to have their wives have regular check-ups and conduct self-examination.

Eagles Leading Race For District Crown

Canyon High School Eagles slammed Dumas 54-44 in Canyon Tuesday night to move into first place in district IAAA with a 4-1 season mark.

Dumas moved into an early lead in the contest but the Eagles tied the battle at 14-14 before the first quarter ended. In the pressure contest, the Eagles and Demons battled neck and neck in the second quarter. Dumas managed a one point advantage at intermission, holding a lead of 31-30.

In the final half, Canyon began to find field goal range while the Demons turned ice cold. The Eagles outscored Dumas 13 to eight in the third stanza to move into the driver's seat. Dumas could get only six points in the last quarter for a total of 14 points for the entire second half.

Canyon tallied 10 points the last quarter to build its final winning margin to 10 points at 54-44.

Rick Bacon led the Canyon scoring, firing in 21 points, eleven of them in the last half. Runnerup in scoring was Mark Lair, who last week racked up 20 against Tulia. Lair bagged 13 points while cousin Tom Lair got 12 for the night. Bacon hit for 10 field goals while getting a single free shot point. Mark

thereby saving his plane and possibly the lives of his fellow crew members.

On one mission his plane was shot down 20 miles from the Japanese coast. He and his crew were picked up by a friendly submarine.

Borden returned to West Texas State in 1945 and completed his education, receiving a bachelor degree and a masters degree in education.

He was assistant basketball and football coach at WT from 1946 to 1956. He was head Buffalo basketball coach from 1957 through 1959.

At the time of his death, he was a professor of physical education at West Texas State.

Borden was devoted to his community and his church. He served Canyon First Presbyterian Church as a deacon and an elder. He was active in Boy Scout work and was a past member of the Randall District Scout committee.

He worked the swimming program at West Texas State for many years and operated the swimming pool there during summer months.

He taught many Canyon youngsters to swim and was a favorite of children who knew him.

Borden was a member of Phi Epsilon Kappa, physical education fraternity. He also was a member of the Southern Basketball Officiating Association.

Mr. Price also was a member of the American Physical Education and Recreation Association, Texas Health Physical Education and Recreation Association, member and sponsor of the T Club and was the only man in the history of West Texas State to participate in two major collegiate sports for three years. He maintained a high grade average along with his athletic participation.

Funeral services were held Tuesday afternoon in First Presbyterian Church. Officiating was Rev. John Lars Hamerison, minister. Burial was in Dreamland Cemetery under direction of LaGrone Funeral Home.

Active pallbearers include Hatcher Brown, Gus Miller, Aubrey Crossland, Riley Troth, Frank Kimbrough and Boudy Pospisil.

Honorary pallbearers include members of the Presbyterian Church session, Virgil Henson, Dr. J.A. Hill, Wallace Clark, L.L. Hix, Dr. J.B. Roberts, Everett Walker, Dr. L.F. Shetty, Dr. Robert Jarrett, Mitchell Jones and Milton Morris.

The family requested that memorials be in the form of contributions to the Borden Price scholarship fund to be administered by the Opportunity Plan at West Texas State University.

Survivors include the wife, who is a teacher at Rex Reeves Elementary School; a son, Davis, who is a student at Austin College, Sherman; three daughters, Becky, Patty and Jo Beth; the mother, Mrs. Minnie Lee Price, Earth; five brothers, Curtis B., Rankin, Wix, Jr., Borger, Wilton, South Gate, Cal., Milton, Patterson, Cal., and Larry of Earth; and two sisters, Mrs. Vada Britt, Tatum, NM, and Mrs. Lucille Price, Earth.

A brother, William Lewis Price, preceded him in death May 6, 1965.

Lair hit from the floor for three field goals and added seven charity tosses.

James Curtis totaled 12 points to top the losers in scoring.

Canyon now stands 5-1 in district action and is presently one half game ahead of Tulia in the district race. Last Friday, the Eagles whipped Perryton for the second time in district action by a 46-36 count. Canyon held a 25-14 advantage at the intermission in the defensive battle. Tom Lair led in scoring with 13 while Bacon added 12 points to the winning score.

The Canyon girls also carried off a victory over Perryton on the home court last Friday to move their mark to 2-2 in district play. Muleshoe invades Canyon tomorrow to tangle with both the boys and girls teams. Canyon could move into second place in girls competition with a decision over Muleshoe this Friday. The girls contest is slated for 6:15 p.m. and the Eagle-Muleshoe clash at 8 p.m.

Next Tuesday, the Eagles travel to Hereford, hoping to take their second win over the Whitefaces.

Ten debaters will represent West Texas State University this weekend at the Baylor Invitational Tournament, according to forensics director Gene Lewis. Competition will include all Southwest Conference schools.

Don Akin, John Greene, Steven Busby, Sammie Monroe, Laura Edler, Sandra Markley, Linda Delano, Tanya Benton, Randy Hollums and Bill Slagle will participate in debate. Each will be entered also in either oratory or extemporaneous speaking.

The top two WT debaters selected from this tournament will travel to Plainview March 14 to debate the college topic against Texas Tech, at invitation of the Texas Police Association.

William A. Moore, Rev. Charles Pederson, Robert Boyd and Lewis served as judges Saturday in a speech tournament at Perryton. They judged individual events and debate.

City. . .

Overall budget being prepared for 1966-67 is up approximately \$5000 from last year, with numerous marked drops as well as increases in the various divisions. Estimated as being available from beginning balance and added revenues in the coming fiscal year is \$615-170, with operational and debt service expenditures figured at \$530,429, leaving a balance of \$84,741.

A conservative estimate of general fund revenues, according to Bryant, would be \$259,097, with an additional \$207,400 in water revenues expected.

Included in figuring of the budget was a hospitalization plan for all members of the city staff. This has been discussed by commissioners but not acted upon officially.

Large purchases suggested and budgeted for in the coming year include a \$15,000 maintenance in the streets department, and \$50,000 for a new water tower. Also provided for in building expenses is work on the city barn totaling \$1300.

Announcement was made that a new clerical employee was to begin work at city hall the following day, Tuesday. Five volunteers have also been added to the Canyon Volunteer Fire Department.

A sum of \$20,000 has been provided for conversion to a different sanitation collection system, and proposed conversion to Dempster Dumpster system was discussed earlier in the morning, with no action being taken.

In other business the commission approved payment of \$2,639.44 for a new police vehicle to Imperial Chevrolet Company of Canyon. Also approved was an annual pay back to developers for water and sewer connections made in 1965. These included \$2,782.13 to Bill Money under agreement concerning the Money Addition and signed September 10, 1959; \$379.03 to Money for development involving Canyon schools; and \$758 to the schools in the in the same agreement.

Commission approved passage of ordinances adopting speed zones on U.S. Highways 60 and 87 and State Highway 217 suggested by the Texas Highway Department, with a city recommendation that speed limit be held to 30 miles per hour until beyond Rex Reeves Elementary School on Highway 217. The department had suggested a speed of 40 m.p.h. beginning at Eleventh Street.

local interest.

There are now 215 Cub Scouts in Canyon, and these belong to five separate packs. An additional 178 boys belong to the five troops of Boy Scouts, while 46 young men are members of the three Explorer Scout posts.

Scout Week activities will open for many of the boys with ski trips this weekend. Boy Scouts may also attend an Electric Merit Badge Clinic from 10 a.m. until noon Sunday in the Amarillo College Auditorium. Sponsored by Southwestern Public Service Company of Amarillo, the event will feature talks by the top leadership in the company on six different areas of electricity, from history to careers in the field.

Highlight of the week of national observance will come Sunday, February 13, when every member of each scouting level will attend in uniform and with his pack, troop or post the church which sponsors his group.

Kent-Lamb Vows Read

Miss Wetta Joyse Kent, daughter of Mr. and Mrs. Aubria Kent of Lockney, became the bride of Ronald Earl Loter recently at the First Baptist Church in Lockney.

Rev. Gene Hawkins, pastor, read the double ring ceremonies. Parents of the bridegroom are Mr. and Mrs. T. L. Loter of Plainview.

Given in marriage by her father, the bride wore an original wedding gown of diluna peau de sole fashioned with a Florentine neckline, long tapered sleeves and A-line skirt which was complemented by a detachable chapel train. A queen's crown entwined with lace, pearls and crystals held the bride's shoulder length veil of English silk illusion. She carried a bridal bouquet of yellow roses surrounding a white orchid.

Maid of honor was Miss Carolyn Cunningham. Lonnie Loter of Pampa was his brother's best man. Candles were lighted by Randy Webb of Aiken.

Mrs. Clifford Hardy, organist, was accompanist for Miss Martha Setliff of Plainview, soloist.

A reception was held in the church parlor after the ceremony.

A graduate of Lockney High School, the bride attended West Texas State University in Canyon for two years. At the time of her marriage, she was employed as a bookkeeper at Plainview Wheat Growers, Inc.

The bridegroom was graduated from Plainview High School and attended WTSU. He is presently engaged in farming south of Plainview.

WBC Shares Book Topics

"Books To Share" was the topic of last Wednesday's meeting of the Women's Book Club of Canyon.

Mrs. L.H. Brotherton led the program by giving a brief review of Billy Graham's book "World of Flame". All members present participated on the program, and historical novels were revealed as the most popular for upcoming programs in the new year.

Other members reviewed books such as Caldwell's "Pillow of Iron"; Irwin Stone's "Abigail and John Adams" and "Those Who Love"; "Rise and Fall of the Choctaw Nation" by Angie Debo; "Dr. Zhivago" by Boris Pasternak; "The Bible As History" by Werner Keller; "Take My Hand" by Dorothy Clark Wilson; "Thomas" (a novel of Becket's life) by Shelly Mydans; Wyndman's "Suburbia's Coddled Kids"; and "Sam Houston's Texas" by Sue Flanagan.

Mrs. E.J. Larson, president, presided at a brief business session. Those attending the meeting were Mesdames Pauline Bonnie, L.H. Brotherton, H.E. Campfield, E.J. Larson, S.B. Louder, T.B. McCarter, Frank Morgan, M.J. Noel, Travis Shaw, C.W. Warwick and Miss Mae Simmons.

Daughter's Birth Told

Mr. and Mrs. Don Wilcox announce the birth of a daughter, Donna Sue.

Born at Neblett Hospital and Clinic, the infant weighed 6 pounds 5 ounces on arrival January 25.

Grandparents are Mr. and Mrs. Floyd Bachelor of Plains and Mr. and Mrs. Wayne Wilcox of Canyon.

CLUB "JEWELS" for the Women's Book Club are Mrs. C. W. Warwick, left, and Mrs. T. B. McCarter have served the club as presidents and have been outstanding leaders during their long membership.

Kid Party Entertains Sororities

"Kid Party" was given by Chi Upsilon chapter of Beta Sigma Phi sorority last Friday evening in the game rooms of the Su Rocca Apartments in Canyon.

Guests for the evening were members of the exemplar degree chapter, Xi Kappa Zeta. The party was the outcome of a ticket contest between the two chapters during the fall style show.

The salad supper affair featured a series of youth games led by Mrs. Bob Sims, with a majority of members appropriately attired in costumes of their youth.

Prizes given for the best dressed went to Mrs. Robert Brotherton and Mrs. Dan Hudson.

Mrs. Bob Brotherton presided at a brief business session as members of both chapters discussed the Valentine Ball, at which each chapter will name a queen and princess.

Attending the event were Mesdames Herbert Kuhlman, Dan Hudson, Jim Cleveland, Elmer Clement, Bob Daniel, Johnnie Robinson, J. Mack White, Speck Benham, Jim Whitfill, Jim Golden, Bob Brotherton, Bob Sims, and David Pully, and Miss Virginia Rostetter.

Engaged

Miss Sherry Marie Miller, daughter of Mr. and Mrs. Eugene V. Miller of Amarillo, will become the bride of Joe Wendell Fandrich, son of Mrs. Ruth B. Fandrich of Denver, Colorado, in nuptial ceremonies planned for February 19. Both Miss Miller and her fiancé are students at West Texas State University. The ceremony will be performed at Joseph A. Hill Chapel on the campus of WTSU.

Federated Clubs Name "Jewels"

"Jewels" from the federated clubs of Canyon are currently being selected to represent their various clubs in a nationwide search for "jewels" for the General Federation of Women's Clubs in their celebration of the GFWC Diamond Jubilee.

Name of club "Jewels" selected by the Women's Book Club, the University Study Club, the Sue Hite Club, and the Canyon Study Club will be sent to the district chairman of the Diamond Jubilee. District chairman will in turn select a nominee to send to the Texas Jubilee chairman.

"Jewels" selected on the state level will be submitted in the national search. State nominees for the GFWC award will receive citations and be honored at the state Diamond Jubilee Convention in 1966.

Selection of jewels in the local clubs is based on the longest continuous membership and on the longest and most outstanding record of leadership in the club. All awards will be made to a living member who is still active in clubwork; no posthumous awards will be made.

March 3, 1966, has been designated as GFWC Diamond Jubilee Day. This is the date on which the federal chapter was signed into law by President William McKinley in 1901. Texas Day Tea-e-es and luncheons will be held throughout Texas in observance of the event.

Canyon's federated women's clubs will observe the day with a Tea-e-e planned for February 27, Sunday, from 3-5 p.m.

in the formal lounge of the Fine Arts Building at West Texas State University.

Honored guests at the local tea will be the three members of each of the four clubs who have the longest and most outstanding record during membership.

Plans for the tea are currently in progress with the Sue Hite Club serving as hostesses, the Canyon Study Club in charge of arrangements, the Woman's Book Club responsible for entertainment, and the University Study Club providing refreshments.

Mrs. C. W. Warwick and Mrs. T. B. McCarter, both past presidents of the Woman's Book Club, have been selected as "jewels" by the WBC. Also honored at the tea will be Mrs. C. A. Murray.

The two outstanding clubwomen are members of the oldest of the district. Founded in 1906, the club joined the Texas Federation in 1915.

"It is easy to start something--to make it lasting is another thing," according to the club's first president, the late Mrs. C. R. Burrow. "One of the main motives which sustained the club's interest through the war years and the dustbowl depression was the promotion of a public library," she said in an interview in 1964.

Sponsored by the Woman's Book Club, a small public library was created, and it grew and continued to grow under the sponsorship of the club. After 1925, the Sue Hite Club joined in the promotion and support of the library. As the University Study Club and the Canyon Study Club were organized later, they joined in support of the public library until today each of the four federated clubs is represented on the library board for the Randall City-County Library.

The Sue Hite Club was organized in 1925 and later that same year was federated with the Top of Texas District of the Texas Federation of Women's Clubs. Charter members of the club who are still active are Mrs. Levi Cole, Mrs. D. M. Foster and Mrs. A. H. Prichard.

Selected as "jewels" from the Sue Hite Club are the Mesdames Cole, Foster and Prichard, who have each held a number of terms as president and have served in various other official posts with the club.

Organized in 1953 as the Junior Women's Book Club of Canyon and later renamed the University Study Club, the third oldest club in Canyon has selected a number of outstanding members for the honor of "jewels."

Mrs. Bob Lindsey, current president of the Top of Texas District, was named as a "jewel" for outstanding leadership.

Others selected as jewels for leadership and longevity were charter members Mrs. Richmond Hales, Mrs. Harold Erwin and Mrs. Eugene Bonds.

Club honors at the Texas Day Tea-e-e will be bestowed by the University Study Club

on Mrs. C. E. Thompson, Mrs. T. S. Stevenson, Jr., and Mrs. James M. White, by the University Study Club.

Canyon's newest study club, the Canyon Study Club, was organized in 1958 through extension of the University Study Club. It was chartered

with four active members, Mrs. Dick Dawdy, Mrs. Floyd Langford, Mrs. Gordon Williams and Mrs. Jerry LaGrone.

Selection of "jewels" for the Canyon Study Club will be made at a meeting February 8, according to current president Mrs. Charles Brasher.

MRS. ROBERT T. LINDSEY

Nuptials Unite Former Students

The recent wedding of Miss Suella Ann Payne and Harold Pronger Bennett was solemnized in the First Baptist Church of Keyes, Oklahoma.

Parents of the couple are Mr. and Mrs. W. A. Payne of Keyes and Mr. and Mrs. H. C. Bennett of Stratford.

Given in marriage by her father, the bride wore a formal wedding gown fashioned of white velvet. Her chapel-length veil of tulle and lace was attached to a velvet and lace crown, and she carried a lace-covered Bible topped with a white orchid.

Rev. John Bobo, church pastor, performed the double ring nuptial service. Traditional music was provided by Mrs. Velma Badgley, Mrs. Mildred Williams, M. C. Rider of Elkhart, Kansas, and Miss Lynna Wilson of Amarillo.

Mrs. M.C. Rider of Elkhart attended her sister as matron of honor. Bridesmaids were Miss Carolyn Williams of Boise City, Miss Pam Bennett of Stratford, sister of the bridegroom, and Miss Lynna Wilson.

Altar tapers were lighted by Miss Barbara Frantz of Guyton and Miss Evelyn Spradlin. Betty Jean Hacker of Stratford was flower girl and Bret Rider was ringbearer. Junior attendants were Starla Rider and Bart Rider.

Danny Jones of Post was best man, and Keith White, Dan Denham and Elliot Crabtree, all of Stratford, were groomsmen. Cleve and Rick Rousser of Sunray ushered.

Following the ceremony, a reception was held in the church dining room.

The couple is residing south of Stratford, where he is engaged in farming and ranching. Both attended Panhandle A&M College in Goodwell, Oklahoma, and West Texas State University in Canyon.

Rainbows To Install Officers

Miss Charolette Clark will be installed as Worthy Advisor for the Order of the Rainbow for Girls in formal ceremonies Saturday afternoon.

Miss Clark is the daughter of Mr. and Mrs. Kenneth Clark of Canyon.

Installation rites will be held from 2-4 p.m. in the Masonic Hall in Canyon.

The installation of Miss Clark and her officers will be open to the public and those interested are invited to attend.

Courtesy Fetes Mrs. Edwards

Mrs. Jerome Edwards was honored with a miscellaneous bridal shower Saturday at the C. F. Rogers home in Canyon.

Mrs. Edwards is the former Judy Radabaugh, daughter of Mr. and Mrs. Wallace L. Radabaugh of Houston. The Edwards were married January 8 at Riverview Baptist Church in Houston. Edwards is the son of Mr. and Mrs. J. A. Edwards of Canyon.

Approximately 35 guests were registered at the bridal shower by Mrs. Charles Brasher and Mrs. Bobby Phillips.

The bride's chosen colors of red and white were featured in decorations with a large bouquet of red and white roses centering the refreshments table, which was laid with a cut-work cloth. Red tapers in crystal holders flanked the floral arrangement.

Mrs. Mitchell Jones, aunt of the bridegroom, presided at the punchbowl. Refreshments included red punch and individual white cake squares decorated with red frosting roses and bows.

Hostesses for the occasion were Mesdames Jack Barnard, A. B. Berry, E. M. Boston, Tom Brasher, R. C. Campsey, O.C. Free, E. L. Hardaway, Delbert Lowes, Worth Jennings, Bill Money, R. F. Phillips, Bobby Phillips, Cleo Pond, C. F. Rogers, Florence Stephenson and E. H. Wright.

COOK OF THE WEEK Shares Prune Cake, Cookies

By Lorena Miller

Mrs. Alfred A. Kraus of 404 Foster Lane shares a trio of recipes with our readers this week, including Prune Cake, Chocolate Macaroons and Orange Pecan Refrigerator Cookies.

Mrs. Kraus, the former Barbara McLay, is the daughter of Mr. and Mrs. Raymond McLay of North Scituate, Massachusetts. She has two sisters, Mrs. Phillip Broomhead of Philadelphia, Pennsylvania, and Mrs. Susan Emmanuelle of Scituate, Massachusetts, and a brother, Paul, who resides at the family home.

A native of Richmond, California, Dr. Kraus is the son of Mr. and Mrs. Alfred A. Kraus, Sr. and has two sisters, Mrs. Ken Sturgis of Sunol, California, and Mrs. Ed Beall of Washington, D. C.

The Krauses, Barbara and Alfred, were married June 6, 1949, shortly after he had graduated from Massachusetts Institute of Technology.

Mrs. Kraus, who had worked for a number of years as a private secretary prior to her marriage, continued to work as a private secretary with an engineering firm for four years while her husband studied for his doctorate in physics at California Tech in Pasadena, California.

The couple later moved to Houston, where he taught as an associate professor for two years at Rice University. Prior to coming to Canyon, they lived in Las Vegas, New Mexico, where Mr. Kraus taught at New Mexico Highlands University.

The Kraus family has lived for 18 months in Canyon where he is director of the Killgore Research Center, presently under construction at West Texas State University.

Dr. and Mrs. Kraus have four children, including Deborah, 11, who is a sixth grade pupil at Rex Reeves Elementary School. Deborah is taking dancing lessons in ballet and tap and "plans to continue taking dancing lessons," according to her mother.

Other children of the Krauses are Andrew, 10, a fifth grade pupil at Rex Reeves Elementary

School; Sharon, 6, and Timothy, 2.

Members of the Bereah Bible Church in Amarillo, Dr. Kraus teaches a teenage Sunday School Class.

"We like Canyon...the small town atmosphere is so different, since we have lived in large cities most of the time," commented Mrs. Kraus.

Favorite hobbies of Dr. Kraus include photography, stamp collections and building electronic items for the home.

"Alfred built our color television, an AM-FM amplifier for our stereo and our organ," said Mrs. Kraus. The home entertainment center was constructed from scratch by using a Heathkit, added Mrs. Kraus.

"Reading and needlepoint are among my favorite hobbies,"

Plains Life For CSC Meet

An unrehearsed one-act play relating to life on the early plains will be the program for the February 8 meeting of the Canyon Study Club.

The meeting will be held in the home of Mrs. Duane Guy, 2701 Second Avenue. Co-hostesses will be Mrs. Bill Martin and Mrs. Robert Wood.

Mrs. Bobby Byrd and Mrs. Walter Cranmer will review Civil Defense as the roll call. Other points on the program will be reports from the fine arts and federation chairmen.

Dinnerware For HD Meet

"Selection and Care of Dinnerware" was the program presented by Mrs. Alvin Kuhlman for a recent meeting of the Palo Duro Rusk Home Demonstration Club.

The meeting was held in the Bob Wilkinson home and members approved council recommendations during the business session.

Next meeting was set for February 8 at 2 p.m. in the Leroy Bauer home.

Attending the meeting were Mrs. Earl Reynolds, Mrs. C. D. Todd, Mrs. Charles Conatser, Mrs. Clem Dugan, Mrs. Alvin Kuhlman and Mrs. Bob Wilkinson.

said Mrs. Kraus. "I have always had a love for gardening, since my father is a florist and nurseryman in Massachusetts."

"I remember Mother having fresh flowers in our home the year round," she smiled. "It is challenging and exciting to make real floral arrangements, and I often spend hours making an arrangement for our home."

"Cooking is one my favorite hobbies too," said Mrs. Kraus, as she listed the following recipes to share with our readers.

PRUNE CAKE

1/2 cup shortening
1 tsp. salt
1 tsp. cinnamon
1/4 tsp. allspice
1/2 tsp. cloves
1/4 tsp. nutmeg
1 cup sugar
2 eggs
1 tsp. soda
1/2 cup nuts
1 cup prune juice
2 cup flour
1 cup cooked prunes

Combine sugar, spices and salt with shortening. Add eggs one at a time, then soda and flour sifted together. Add flour mixture alternately with prune juice.

Add prunes and nuts. Bake at 350 degrees for 50 minutes. Frost with favorite chocolate frosting and allow to set for at least one day before serving.

CHOCOLATE MACAROON

2 egg whites
1/4 tsp. salt
1/2 cup sugar
1/2 tsp. vanilla
1 (7 oz.) bar "semi-sweet" chocolate
1 1/2 cup shredded coconut
Beat egg whites until foamy and gradually sift in sugar. Beat after each addition until stands in peaks. Add salt and vanilla and fold in melted chocolate bar. Add coconut and mix.

Drop by teaspoon into mounds onto an ungreased sheet of brown paper which has been laid on a cookie sheet. Bake in slow oven at 325 degrees for 20 minutes. Allow to cool before removing from paper.

ORANGE PECAN REFRIGERATOR COOKIES

1 cup shortening
1/2 cup brown sugar (packed firmly)
1/2 cup granulated sugar
1 egg beaten
1 tsp. grated orange peel
2 Tbsp. orange juice
2 3/4 cup sifted flour
1/4 tsp. soda
1/4 tsp. salt
1/2 cup chopped pecans
Cream shortening. Add sugar and cream well. Add beaten egg, peel and juice of orange. Add sifted flour, soda, salt and chopped pecans. Stir until well blended.

Shape into a roll. Cover with wax paper and store in refrigerator for several hours. (May be placed in freezer for later use if desired.)

Slice thin and bake on ungreased cookie sheet at 400 degrees for 10 minutes until light brown. Cool on rack. Makes 6 dozen.

MRS. ALFRED A. KRAUS, who shares recipes with our readers this week, is pictured practicing at a modern upright organ which her husband "built from scratch with a Heathkit," according to Mrs. Kraus. Recipes shared this week are a Prune Cake, Chocolate Macaroons and Orange Pecan Refrigerator Cookies.

Housewarming For Irlbecks

Mrs. Jim Irlbeck was honored with a housewarming by members of the Pleasantview Home Demonstration Club last Friday afternoon.

Mrs. Irlbeck has served several years as president of the club. Refreshments of cake and spiced tea were served by the hostesses Mrs. Earl Burtz and Mrs. Wire Wright.

Attending the event were Mesdames Earl Burtz, Allen Downing, Bob McCasland, H. M. Stokes, Blaine Hufnagle, Wilbur Hughes, Benny Abbott, Walter Cranmer and Gilbert Irlbeck.

Highland Has Meet

Highland Home Demonstration Club met recently in the home of Mrs. Leroy Lamb with a program on "Selection and Care of China" presented.

Mrs. Clarence Howard, council delegate, reported, and the next meeting was set for February 9 at 1:30 p.m. in the R. H. Hudson home.

Attending the meeting were Mesdames Roy Lamb, James Lamb, Clarence Howard, Elvin Lamb, Leroy Leroy Lamb and Mrs. Billy Green, a club guest.

Jaycee-Ettes Bake Profit

Canyon Jaycee-Ettes held a bake sale Saturday at Cooper's Market, resulting in a profit of \$48, according to Mrs. Carl Miller, chairman.

Assorted home made baked goods were sold throughout the day. Members participating in the project were Mesdames Made Michael, Robert West, Gerry King, Charles Marshall, Guy Hamblen, Wayne Edmondson, Allen Parson, Jerry Swearingen, Jackie Whitely, Jimmy Scott, Weymon Brown, and Carl Miller.

China Care HD Program

"Care of China and Dinnerware" was the program presented by Mrs. Bill Wilson for last Friday's meeting of the Canyon Home Demonstration Club.

Members had on display various items of china and other heirloom pieces. Each member described her selection in the display and gave a history of the heirlooms to the club.

Mrs. H.C. Adcock, president, officiated at a brief business

meeting as members planned a visit to LaCasa Canyon Convalescent Home during February and were presented with council recommendations.

The hostess, Mrs. Marcus Adair, served refreshments to those present, including Mesdames H.C. Adcock, Jack Barnard, Earl Hadley, J.C. McClendon, Bill Money, Ed Kuehn, Keith Pool, D.R. Weaver and Bill Wilson, and Mrs. Rufus Johnson, a new member.

Guest of the club was Mrs. Joyce Barker of Liberal, Kansas.

Next meeting was set for 9:30 a.m. February 4 in the H.C. Adcock home.

Event Fetes Miss Raef

A miscellaneous bridal shower honoring Miss Reba Sue Raef, bride-elect of Marion Hicks, was held Friday evening in the R. B. Richardson home.

Miss Linda Hicks, sister of the prospective bridegroom, presided at the guest register as guests were received by Mrs. Richardson, hostess, Miss Raef, honoree, Mrs. L. L. Raef, mother of the bride-elect, and Mrs. M. W. Hicks, mother of the prospective bridegroom.

The bride-elect's chosen colors of red and white were used in floral decorations which centered the table covered with white net. Accents of red ribbons and white wedding bells completed the table arrangement.

Serving at the refreshment table were Mrs. Don Raef, sister-in-law of the bride-elect, and Diane Batenhorst.

Hostesses for the occasion were Mesdames Noble Brown, Frank Begert, Lewis Tuck, Clarence Howard, Joe Frank, A. R. Friemel, Henry Wiggins, Leroy Lamb and Mrs. Richardson.

Visiting with Mr. and Mrs. Fletcher Sims last week was his mother, Mrs. Fletcher Sims, Sr., of Mexico, Missouri, and a sister, Mrs. James Berry, of Excelsior Springs, Missouri.

Recent guests of Mrs. Myrtle Wester have been Mr. and Mrs. Iva Wester of Carlsbad, New Mexico, and Mr. and Mrs. Randall Wester of Amarillo.

SAM H. JONES

Jones Observes 92nd Birthday

Sam H. Jones observed his 92nd birthday Tuesday. Jones was born February 1, 1874, and has been a resident of Canyon for almost half a century. The father of three, Jones moved to Canyon in the early 1920's and built his home at 1818 Sixth Avenue. He soon joined the Central Church of Christ in Canyon, where he is the oldest living member. "Canyon has really grown a lot since I first settled here,"

said Jones. "Business and residential have both taken on the strides of progress." Jones' children include his son Mitchell, who is associate professor of education and psychology and former dean of men at West Texas State University. Another son, Frank Jones, teaches school in Hereford, and Jones' daughter, Mrs. Sammy Bishop, lives at Spearman. Jones has two grandsons and several great-grandchildren in Kansas and Arizona. Two college students reside with Jones and stay with him at night, and J.E. Watson, 87, spends the day with him.

Dettens Return From Houston

Mr. and Mrs. Robert Dettens of South Amarillo have returned from a two week visit in Houston with their daughter, Mr. and Mrs. A. V. Crandall, and family. While in Houston, the Dettens attended the christening ceremony for their newest granddaughter, Arlynee Therese, at St. Cecilia's Church. Mr. and Mrs. Herman Neusch of Austin were sponsors. The christening ceremony was followed by an open house for friends and neighbors at the Crandall home in Houston.

Edgetown HD Has Meeting

Edgetown Home Demonstration Club met Thursday of last week at the home of Mrs. R.W. "Hunk" Thompson.

Mrs. Harry Widick, president, presided at a business meeting as members answered roll call with "My most treasured piece of dinnerware." Program for the meeting was the selection and care of dinnerware, and each member participated by giving hints and ideas on the topic.

Mrs. Thompson, council delegate, gave a report to the club on the last council meeting and announced that the club would be responsible for opening recreation for the February council meeting. The Edgetown Club is responsible for a project at LaCasa Canyon Convalescent Home during July. Next meeting of the group will be February 10 in the Alfred Daniel home, 405 Taylor Lane.

Members attending were Mesdames Max Bosley, Harry Widick, Joe Frank, Roland Hicks, Alfred Daniel, and Bill Dugan, and Mrs. Thompson, hostess.

FBI Agent Addresses AAUW

J. Gordon Shanklin, special agent in charge, Federal Bureau of Investigation, Dallas, will speak to the Canyon AAUW branch Saturday.

His talk on the work of the FBI Laboratory will be given at 2:30 p.m. in Room 208 of the Science Building on the West Texas State University campus.

Mr. Shanklin, who has been agent in charge in Dallas since April, 1963, holds the B. A. and LL. B. degrees from Vanderbilt University. He practiced law in Nashville for eight years prior to entering duty as a special agent for the FBI.

He was assigned to West Virginia and New York City during the war years, and from 1947 to 1951 was assigned to FBI Headquarters in Washington, D. C. in a supervisory capacity.

In 1951 he was transferred to Mobile, Alabama, and was special agent in charge of the Mobile and Pittsburgh, Pennsylvania, offices prior to reassignment to FBI Headquarters in 1956 as an Inspector. He has also been agent in charge in El Paso and in Honolulu.

Bowie Wesley had surgery for appendicitis Monday at Nebraska Hospital and is reported to be doing fine.

Pauline Wesley took care of her granddaughter recently while she was ill.

Troye Langston has recently purchased a monkey.

Noel Cheek recently attended funeral services for his father.

Word from the Whitsons and Wesleys at Brownfield related that Elvin was seriously burned when the furnace blew up.

Jimmy Don was able to go

back to work Tuesday after spending several days in the hospital after an automobile accident.

Mr. and Mrs. Richard Evans visited Sunday with Mr. and Mrs. J. W. Wesley.

Mr. and Mrs. Frank Tirey has open house at their new home in Happy Sunday afternoon.

We have had some more snow and zero weather at nights for the past weeks.

Wheat, Grain Program Topic

Donald Lloyd, ASOS office manager, discussed the 1966 wheat and feed grain program last Thursday night at a meeting in the Junior Livestock Building.

Denny Fuston explained the 1966 cotton program during the meeting. John Brazzil, county agent, was also present.

Coffee and donuts were served to 23 members and guests by the Randall County Farmers Union.

Next meeting of the Farmer's Union will be February 15 at the Trail Restaurant, when the group will plan the 1966 membership campaign.

Garden Club Meet Planned

George Fugitt, grounds superintendent of West Texas State University, will address the Canyon Garden Club at a business session on February 10.

The meeting will be held in the H. A. Burrus home, 2508 Tenth Avenue, with Mrs. C. W. Samples as co-hostess.

Included in the 7:30 p.m. business session will be an election of officers for the new year.

SHELLY BRIM, left, and Kristin Romoser view the centerpiece arrangement for Friday night's Girl Scout and Brownie Father-Daughter Banquet to be held at Rex Reeves Elementary School.

Decorations will include mail box plate favors, and the table will be centered with a road of hearts bearing mail cars of red decorated with white lace wheels.

Stompers Win 95-72

The Frosh Stompers of West Texas State University roared to their seventh straight victory last Saturday, clobbering Frank Phillips Junior College 95-72.

Since the Stompers found the winning formula against Clarendon Junior College on Dec. 16, the Frosh haven't lost a game and now stand 8-3 for the season.

Mike Mitchell tallied 20 points to top the scoring for WTSU against Frank Phillips. With the win over Frank Phillips, Kirby Pugh's men avenged an earlier season loss to the visitors on Dec. 14 in Borger.

WTSU's freshmen take off from any court contests until Feb. 12 when they tangle with Eastern New Mexico in Canyon. The Stompers also play Texas Tech, Graham Plow and Lubbock Christian College to complete the season schedule. Texas Tech whipped the Herd 87-77 in Lubbock in the Stompers opening game of the season, which should give WTSU added incentive when they battle the Picadors Feb. 24 in Borger.

Judging Team Earns Second

Second place in the Southwestern Intercollegiate Livestock Judging Contest in Fort Worth was earned by the WTSU junior livestock judging team last weekend.

The five-member squad, earning 4,672 points of a possible 5,000, placed second behind the Oklahoma State University team, which accumulated 4,684 points.

WTSU was first in Hereford judging and sheep judging and placed second in hog judging. The team was fourth in quarter horse judging. The contest ended Sunday afternoon, and 17 teams from colleges and universities in a tri-state region competed.

Three of the five members of the WTSU team placed in the top ten individual list, out of the 85 individuals entered. Johnny Newborn of Houston was second high individual, scoring 956 of a possible 1,000. Dwain Phipps of Friona was fifth, and Kenneth McCaslin was tenth. Dee Allen of Pampa was 12th, and Dewey Estes of Silverton was 37th.

Newborn and Phipps tied for second place honors in sheep judging, and McCaslin was second high in swine. Phipps and McCaslin had judged previously at Denver, placing high in the contest, while Allen, Newborn and Estes were competing for the first time.

The team was honored Monday night by the Texas Hereford Association as being the high team in judging Hereford cattle, and they were also honored guests at other events during the stockshow Tuesday. Team coach Don Beerwinkle received a Stetson hat as coach of the runnerup team, and members won boots, medals and other awards.

The judging team will compete next at the Houston Stock Show in the Astrodome March 4, to complete the year. Next fall they will travel to Kansas City and the International Livestock Show in Chicago.

Other juniors judging in contests this spring and traveling to Fort Worth as alternates were Tommy Tatum, Friona; Julius Harolson, Wellington; Leo Chenoweth, Tulsa; and Jerry Gage, Canyon. Charles Smallwood, head of the WTSU Agriculture Department, commended the team members and Coach Beerwinkle on a successful trip.

Relative's Rites Held

Funeral services for Clara Coffman of Springfield, Missouri, were conducted Monday.

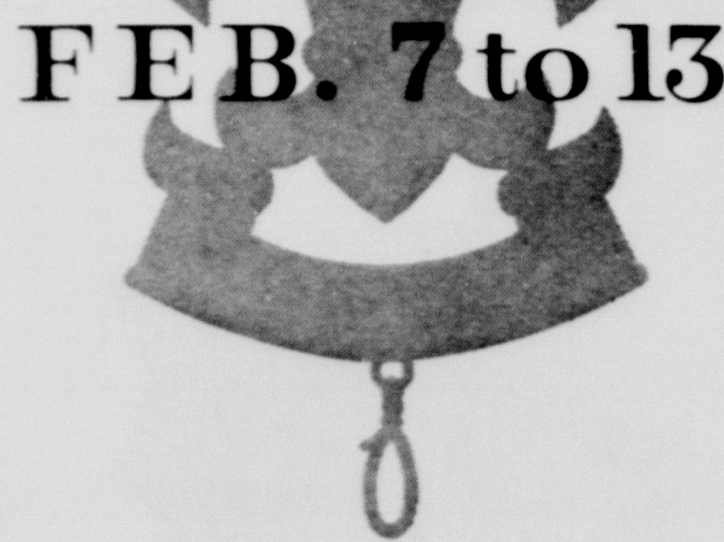

Mrs. Coffman was a sister of Mrs. Myrtle Wester of Canyon. Her parents were the late Dr. and Mrs. Andrew Jackson Baker, early pioneer residents of Missouri. Burial was at Pleasantridge Cemetery in Missouri.

Mrs. Coffman is survived by her sister, Mrs. Wester of Canyon, four daughters and a son.

Still more new cars and diesels, too, for Santa Fe.

Our \$145-million improvement program for 1966 includes 60 high-horsepower diesels and 5,000 freight cars. That brings our investment—in just 4 years—to more than \$360-million for 18,000 modern cars and diesels. All to serve still better our busy Santa Fe Country.

Soon more than 20 per cent of Santa Fe's huge fleet will be less than four years old. But this does not tell the whole story. Many new cars are longer; others have capacities multiplied 2½ times; many haul double the tonnage of cars they replace.

Our fleet of giant 100-ton covered hopper cars for grain, and other bulk commodities is being expanded. Soon 5,600 of them will be in service—with the carrying capacity of 11,000 conventional box cars! Half of Santa Fe's diesel freight

power is in new high-horsepower units—and more keep coming to move our trains on fast, dependable schedules.

How can we help you? Just call your local Santa Fe Agent.

RCHSC Members Named At Meet

Four new members of the Randall County Historical Survey Committee were recently appointed, according to Mrs. T.B. McCarter, county chairman.

Appointed by Judge Lloyd King were Mrs. Johnny Raymond, Mrs. Nolan Henson, Jr., G.W. Morrison and Raymond Raillard.

The RCHSC met in a regular monthly session last week and heard reports and newsletters from the state president outlining program suggestions for the new year.

All county awards are being based on the point system, said Mrs. McCarter. The Distinguished Service Award is given for placement of a minimum of six historical markers in the county.

Twelve historical markers were recently placed in Dreamland Cemetery honoring Civil War veterans. Several markers have been ordered to be placed at historical buildings and sites throughout Randall County since Mrs. McCarter.

All counties must attain the DSA award before becoming eligible to receive additional awards at state convention. Other awards include the Millard-Cope Memorial Award for

the best program of work by a county; the Rupert N. Richardson award for the best scrapbook; the county chairman's award; the subcommittee chairman's award; and the Quota Buster's award.

Quota Busters is open to residents of the county. Those who pay \$5 are eligible to vote in elections. Mrs. McCarter said. The county goal is \$200 for the Quota Busters Club.

Another current project of the Texas Historical Society is the initiation of a member-honorary scroll. When completed the scroll will be presented to the State Archives.

Cowboys Clobber Bovina

The Cowboys of Happy High School took their fifth straight District 1B game by belting Bovina 78-49 last Friday. Happy with its perfect 5-0 record holds a game and a half lead over defending district champion Nazareth which was upset by Bovina last week.

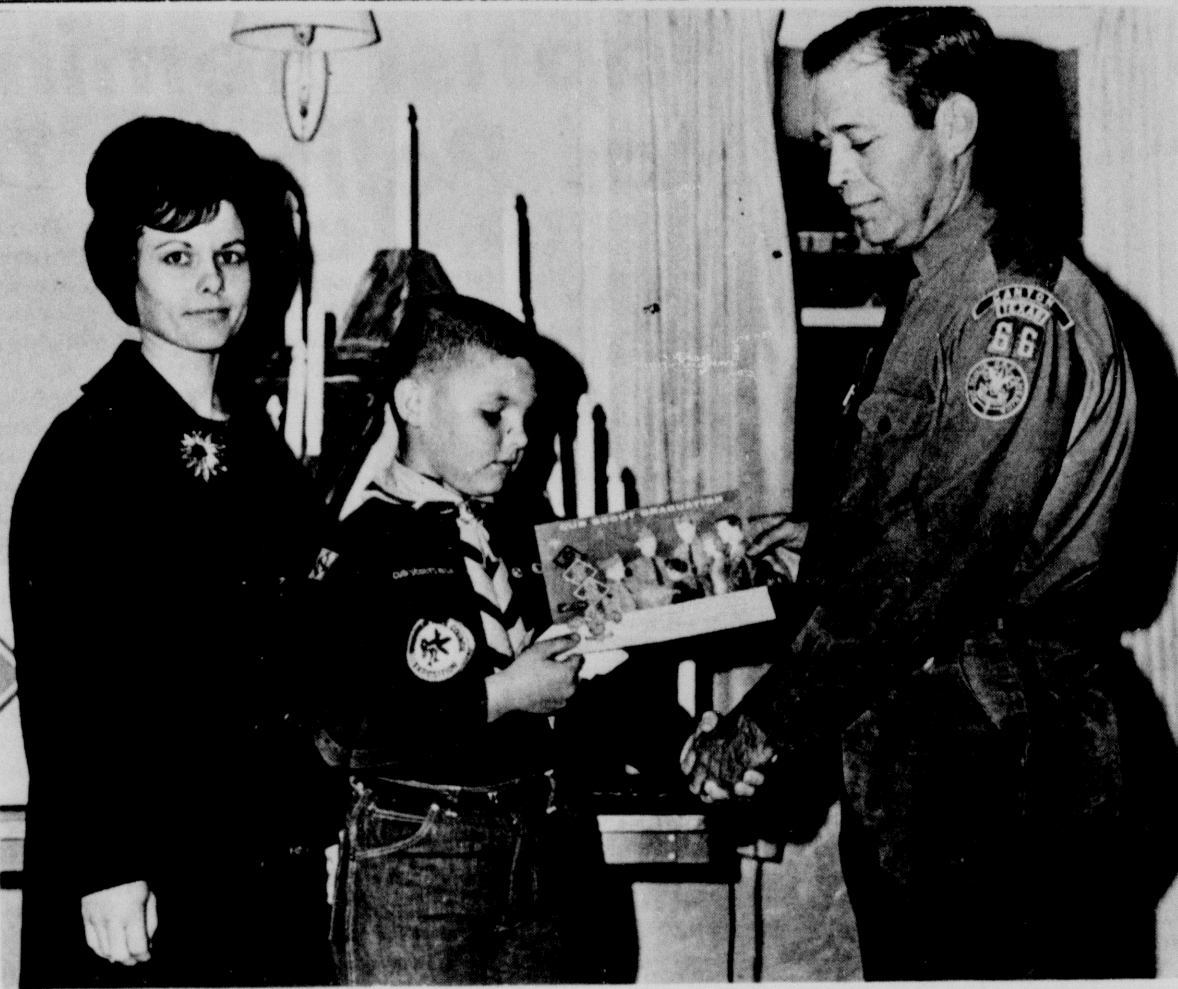

Gary Culp poured in 20 points to top the Cowboy scoring parade. Dave McNeill, who recently tallied 22 against Nazareth, totaled 16 in the Bovina game. Others players in double figures were Randy Johnson with 11 and Bill Vernon with 12.

After experiencing a bad first half, the Cowboys exploded into a big margin in the final quarter. The Cowboys held only a four point advantage at intermission.

Coach Bob Taylor's Cowboys stand 17-6 on the season and needed only a victory over Nazareth this Tuesday to insure at least a district tie. After the return match with Nazareth, the Cowboys play Lazbuddie in Happy tomorrow and Hart in Hart next week, to finish the regular season.

Should Happy win the district race, and it appears it will, the Cowboys will be pitted against the winner of the Channing-Adrian district.

The Cowboys got revenge for an earlier season loss to Bovina by beating the same team Friday night. Happy stands 3-2 in district play in girls competition, trailing first place Nazareth by a game and a half.

NEW BOY SCOUT Ricky Phemister is welcomed into the advanced group by Scoutmaster LeRoy Moreland of Troop 66 last Thursday as Phemister graduates from Cub Scouts following advancement to Webelo rank. With him is his mother, Mrs. Wayne Phemister. Cub Scouts is open to any boy eight years in age, and the group is now conducting a membership campaign. Ricky joins 178 boys in Boy Scouts, leaving a group of 215 Cubs.

Miss Porter Selected For 'Carousel' Role

Continued performance and public appearances help to sustain and build creativity in a teacher.

This is the philosophy of the speech and music departments at West Texas State University, and in keeping with the belief Miss Elsa Porter, assistant professor of voice and music education, has been asked to portray Nettie Fowler in the spring musical "Carousel."

Miss Porter has made professional appearances with the Amarillo Symphony, University of Oklahoma Symphony and Chicago Theatre of the Air, as well as concert and oratorio performances in Texas, Oklahoma and New Mexico. She will replace Jean Gray, who was originally chosen for the role and was later unable to accept it.

Principal cast of the Rodgers and Hammerstein play offers a variety of training and performing experience. Terry Milligan, Tulsa junior who will play Billy Bigelow, and Gare Brundidge, Corpus Christi senior as "Jigger" Craig, both played leading roles in "The Fantasticks," produced here in August and again in October. The two talented singer-actors have appeared in a number of produc-

tions. Sophomore Nancy Davis of Canyon, as Julie Jordan, includes in past credits performances in the modern chamber opera and comedy "Gallantry."

Troop 15 Practices Reading

A choral reading was practiced by Troop 15 Girl Scouts at a recent meeting.

The reading will be given as a part of the program for the annual Father-Daughter Banquet and is also a segment required for the dramatics badge.

Invitations were made by the girls for the upcoming banquet. Refreshments were served to 29 present.

Mrs. Alvin Kuhlman is leader of the troop. Assistants are Mrs. Russell Altmiller and Karen Thomas, senior scout.

Mrs. Phil Swartzell has been in Sonora visiting with her parents, Mr. and Mrs. Alfred Stevens. Both Mr. and Mrs. Stevens have been in the hospital.

Bufs To Tangle With OCU

BY ART ALBRACHT
Needing a victory to break a two-game losing streak, the West Texas State University basketball team travel to Oklahoma City Saturday to battle the high scoring Oklahoma City University Chiefs at 8 p.m.
So far in the 1965-66 season, WTSU has been a team of streaks—with three of its four victories of the season coming on a three game winning streak early in January. The Bufs opened the campaign with eight consecutive losses, five of them coming on a road trip during the Christmas holiday period. After dropping eight straight, the Herd then took three victories in a row before falling to Abilene Christian College in Abilene on Jan. 22.
As was the case against Texas Western, the Herd will again

be facing one of the better rebounding teams in the nation when it tangles with OCU. The Chiefs feature performer is 6-7 James Ware. Ware, called "The Weasel" by OCU supporters, leads the nation in rebounding average with a mark of 20 caroms a contest.
The latest OCU scoring rampage occurred when the Chiefs belted Denver University 98-87 last week. Victories for the Chiefs include wins over Southern Methodist, Creighton, and Oklahoma University. SMU also upset the OCU quintet in a high scoring battle earlier in the season.
Probably the high point of the season for the Chiefs so far was when Abe Lemons' men won the All-College Tournament by whipping Rhode Island in the finals of the tour-

ney in Oklahoma City.

Jerry Lee Wells, a 6-2 senior guard, is the OCU scoring leader, returning for his last season this year after averaging 20 points a game last season. The big three rebounders for the OCU team are Ware, veteran Charley "Big Game" Hunter, and sophomore Ron Koper. Hunter, a 6-4 forward, topped the Chiefs in field goal accuracy last season with a 46.3 mark.

Koper, another member of the famous Oklahoma basketball family is the only new member to the OCU starting five. Koper is the only sophomore to win a starting role and did it by beating out his cousin, who also attends OCU. Rounding out the starting team is great outside shooter Gary Gray, who gave the Bufs fits on the court last year. Gray, part Cherokee Indian, stands 6-1 and is the team's top free shot artist. Gray converted on 76.8 of his charity tosses in the 1964-65 campaign.

The victory-starved Aggies of NMSU used a big rebounding edge to whip the Bufs in a come-from-behind effort. Dabich, who scored 32 points in the contest, picked up 24 rebounds while the entire WTSU quintet could manage only 38 caroms. The Aggies held an unbelievable rebounding advantage of 76-38 in gaining the decision.
WTSU held the lead almost the entire first half and still had a narrow margin until the Aggies tied the contest at 53-all with 14 minutes remaining. The Bufs led 46-38 at intermission but the Aggies quickly cut the deficit in the early going of the final stanza.

NMSU took the lead at 62-60 on a pair of charity tosses by Art Davis, but a field goal by Micky Fitts immediately tied the score again. After the Aggies gained the advantage once again on a free throw by Dabich, the NMSU team began to build a lead.

Coach Viramontes then called the Bufs into a full-court press hoping to salvage the game. The Herd closed within three points at 74-71 with two minutes remaining, but the Aggies were not to be denied the victory.

Six charity throws gave the Aggies the decision and increased their margin to 80-73 with seconds remaining.

The Bufs managed only seven free shots in the game while the Aggies chalked up 20 markers from the charity stripe.

WTSU hit on 33 of 80 field goal attempts for a 41.3 percentage while the Aggies canned 31 of 85 shots for 36.5 percent.

Cliff Noble of the victors piled up 22 rebounds, as runner-up to Dabich. Davis tallied 18 points to tie Furlough of WTSU in scoring honors behind Dabich. Leading scorer Micky Fitts totaled 17 points while Simpson added 10.

Every player on the WTSU squad saw action in the losing cause. The Bufs now prepare for the nationally ranked Chiefs of Oklahoma City University this Saturday in Oklahoma City.

Following the OCU-WTSU fracas, the Herd travels to Panhandle A & M Feb. 8, and Sul Ross State Feb. 10, before returning home to entertain Southern Colorado on Feb. 12.

The Bufs clobbered Panhandle A&M 85-63 in Canyon on Jan. 10 and later slaughtered Sul Ross 111-72 in Buffalo Field House on Jan. 25.

New Mexico State University, led by 7 foot Mike Dabich came from behind to clip the West Texas State University Buffaloes 82-73 last Monday in Las Cruces, New Mexico.

The loss was the Bufs second straight and eleventh of the season. NMSU's decision over WTSU in the Monday contest, marks the first time that Coach Jimmy Viramontes has lost to the Las Cruces school in his three seasons of coaching at WTSU. What made the defeat even more difficult to swallow was the fact that the Bufs had walloped the Aggies 99-79 earlier in the season. Las Cruces, also is the home town of Coach Viramontes, which made the defeat even more disappointing for the Buff coach.

The Aggies posted only their fourth victory of the season with the win over WTSU and they now own a 4-14 season mark. The loss dropped the Herd's record to 4-11 with eight games left on the schedule.

In action last Saturday, the Bufs played right with the powerful Texas Western Miners for 25 minutes before the El Paso school broke the game apart in the late stages to nail down a 69-50 victory. Texas Western entered the game with a 13 game winning streak on the line and its sixth place position in the Top Ten college basketball poll, in jeopardy. The Bufs trailed the Miners by a 30-27 score at halftime in the rugged defensive contest.

An early second half explosion by the Miners, jumped Texas Western into a 36-29 advantage and then a 10 point margin seconds later. The Herd, which hit a terrible field goal percentage of 29.1 in the game, hit a cold spell early in the final stanza, just as the Miners began to burn the nets.

After the TWC quintet had pushed to their 10-point lead, the Bufs never got closer than six points the rest of the game.

The tenacious Miner defense held 6-8 Vernon Furlough of WTSU to only one point on the night. Furlough, who had marked up 18 and 27 points in his first two court appearances at WTSU, couldn't find the shooting range and was replaced by Ron Gardner in the first half.

A 15 carom edge in rebounds made the biggest difference in the contest, as the nation's second ranked rebounding percentage team outrebounded the Herd 59-44. Calvin Taylor turned in a fine rebounding showing by grabbing 11 rebounds against the strong Miners. David Latin, a 6-6 240 pound sophomore, and Vevel Shed, a 6-8 junior, each picked off 12 rebounds, to top both teams in that department.

Senior playmaker, Gail Simpson, tallied 16 points to lead in scoring for WTSU while Bobby Joe Hill bagged 19 for the Miners. Texas Western hit on only 26 of 72 shots for a 34.2 field goal percentage.

WTSU hosts the Miners in a return match in Buffalo Field House on Feb. 24.

Baptist Seminar Trip Has Politics, Tours

Christian Citizenship Seminar in Washington, D.C., made up the West Texas State University Baptist Student Union mid-winter retreat, which was participated in by 55 students and eight sponsors.

The group left Canyon January 20, arriving at the Houston Hotel in the capital January 22.

Keynote speaker for the retreat was Brooks Hays, special assistant to the President, and he addressed the group on "The Relationship of Faith to Political Life."

Saturday afternoon and evening were spent sight seeing, and at this and other times the students and sponsors visited most local points of interest. Sunday they participated in all worship services of the Pennsylvania Avenue Baptist Church, Dr. Jim Langley, pastor of the church, was retreat pastor and spoke to the group each morning on "The Christian's Role in Government." Sunday evening, following services and a fellowship period, the group visited the Potter's House, a Christian coffee house which is a project of the Church of Our Saviour, founded by Gordon Cosby. They heard Elizabeth O'Connor and Bob McCann explain the distinctive ministry of the Church.

Monday morning a special tour of the Washington National Cathedral was conducted by Howard Rees, director of student work for the Washington, D.C., Baptist Conventions. Other group tours included visits to various government chambers, monuments and memorials, Arlington National Cemetery, the Federal Bureau of Investigation and a concert of the National Symphony Orchestra. The group also toured Virginia Military Institute and Washington and Lee College.

Students and sponsors visited with Congressman Walter Rogers of Texas and heard Congressman Jim Wright speak on "A Christian Looks at Today's World." They visited the floor of the House as guests of Speaker John McCormack, who addressed them on "A Challenge for Tomorrow's Citizens."

Congressman George Mahon, chairman of the House Appropriations Committee and a well known Methodist layman, spoke on "Personal Morality in Public Life."

Other speakers included Maj. Gen. Robert P. Taylor, Chief of Chaplains of the U.S. Air Force, speaking on "Christian Face the Military," which included many personal experiences of the speaker.

A visit to the Russian Embassy included explanation of embassy and diplomatic work and life by Vladimir A. Sinitsyn, attache in charge of visas for travel to the Soviet Union. Following his sweeping accusations against the United States and her foreign policy, the students heard Dr. Olin C. Robison, assistant to U. Alexis Johnson of the U.S. State Department, answer point by point the communist charges. He challenged the students to serious study and a mature intellectual involvement in the life of their nation.

William "Fishbait" Miller captivated the students with yarns of life on Capitol Hill, giving them the "red carpet"

Happy Man's Sister Dies

Funeral services were conducted in Memphis last Tuesday afternoon for Mrs. Doris Morrison Gibson, 41, who died at Hall County Hospital in Memphis following a long illness. She was the sister of Charles Morrison of Happy.

Rites were conducted at the Memphis Church of Christ with Tom Anderson, minister, officiating. Burial was in Fairview Cemetery at Memphis.

Survivors include daughters Karen Ann Gibson and Mrs. Lynn Dunavin of Amarillo; her parents, Mr. and Mrs. Ed Morrison of Memphis; brothers Charles Morrison of Happy and Jimmy Morrison of Amarillo; sisters, Mrs. Y.Z. Taylor of Memphis and Montgomery of Memphis and one granddaughter.

Auxiliary Holds Meet

Mrs. Grant Hanna of Hereford, president of the 18th district, American Legion Auxiliary, presided over a called meeting and luncheon in Amarillo recently.

Auxiliary members attended from Amarillo, Borger, Hereford, Childress, Dimmitt, Tulsa, Nazareth and Happy.

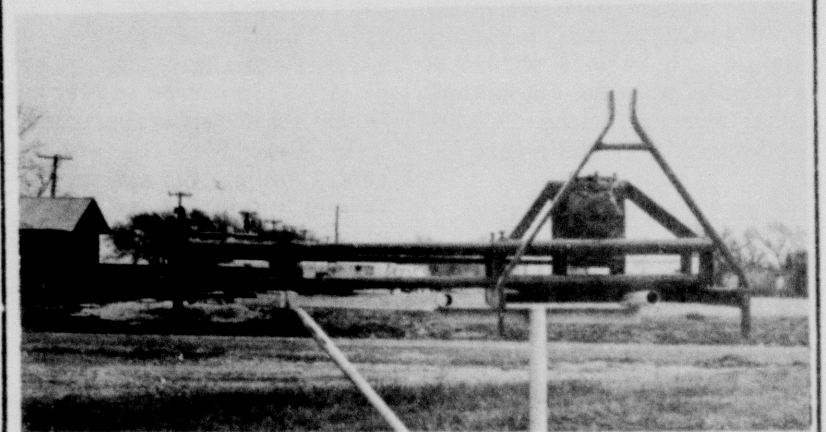

Present from Happy were Mesdames Alice McGehee, Daisy Stone and Lena Ponder.

Mrs. McGehee was appointed as 18th District Transportation Chairman for Girl's State.

Mr. and Mrs. Wylie Hannah and sons Brian and Bruce of Friona visited during the week end with her parents, Mr. and Mrs. Earl E. Miller, and other relatives and friends.

Paintings To Pistols, Curator's Assignment

Valuable oil paintings, weapons of historical and curious interest, everyday objects plucked from hard use in the days of pre-historic peoples and Panhandle settlers—all these things and many more may be found on exhibit at Panhandle-Plains Historical Museum.

The many treasures, common and rare, which may be seen on display or sought out behind the scenes at the museum are in the care of Max Courtney, January graduate of West Texas State University with a Bachelor of Science degree in art.

Courtney has been appointed curator of exhibits for the museum. To him go the numerous jobs of researching items, preparing collections and arranging displays. To him also will go a good share of the task of creating new exhibits and finding new homes for old ones when the new addition to the museum is built.

Asked if there is any one particular thing in which he is especially interested, Courtney laughed and glanced about the room which doubles as library and outer office for Boone McClure, museum director. "The Panhandle of Texas," he said simply.

In that room may be found a virtually complete source of reference—and amusement—to the history and development of the Panhandle region, and Courtney will draw on much of it to transform information into interesting exhibits for the enjoyment and education of all museum visitors. He is now planning a special Colt exhibit.

"We have every Colt ever made," he said "except the Walker Colt, which is the rarest and the most valuable." It received its name from its two designers, Colt and a Captain Walker of the Texas Rangers.

Courtney began working as an assistant to a previous curator about a year and five months ago. A native of Wellington, he attended Clarendon Junior College before coming to WTSU, where he has spent the last two years of his schooling and played basketball for the Buffs.

"GUN THAT WON the West", the famous Colt Peacemaker, is held beside the 1860 Army Colt, most popular firearm of the Civil War, by Max Courtney, new curator of exhibits at Panhandle-Plains Historical Museum. Courtney is preparing a special exhibit of Colts at the museum.

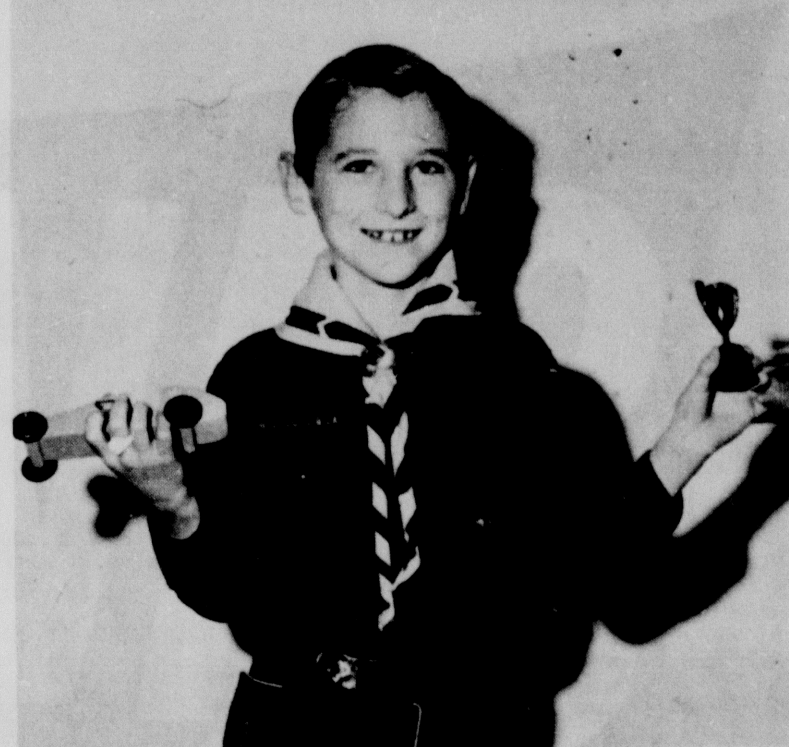

Scouts Hold Model Derby

Running of the annual Pinewood Derby highlighted the Tuesday evening meeting of Cub Scout Pack 66, with Gary Cooper winning the model car race.

The derby was the climax of a father-son project in which the boys built the cars themselves, with their fathers' help. Second place in the contest, which included five heats and a final race, went to David Brown. Other winners were Jack Williams, with the best looking car, and David Fite, with the most colorful car.

Several advancements in rank were noted during the regular meeting, with Scoutmaster LeRoy Moreland welcoming Ricky Phemister as he graduated into Boy Scouts. Phemister has attained the final rank of Webelos in Cub Scouts.

Advanced to Lion rank was Johnny Dillon; Bear rank is held by David Fite and Greg Lehnick; and Byron Smith was advanced to Wolf rank. Gold and silver arrow points for achievement went to the following boys: Chris Moreland, both gold and silver; David Fite, gold; Brad Garner, silver; Rex McPherson, gold; Greg Lehnick, gold; Dan McGlasson, gold; Marty Widick, silver; Jeff Carlisle, gold; and Jeff Reid, gold.

GARY COOPER, member of Cub Scout Pack 66, Den 2, holds his champion model racer and the first place trophy he won in the annual Pinewood Derby held last Thursday evening by Pack 66. The cars were made by the boys in a father-son project. Gary is the son of Mr. and Mrs. Benny Cooper.

Canyon Site For PSDA Jamboree

Canyon was chosen as site for the District IV Jamboree of the Panhandle Square Dancers Association at a recent PSDA meeting.

Mr. and Mrs. Charles Peckenpaugh of Canyon were also elected as treasurers of the PSDA. The summer jamboree will be held August 13.

Canyon Capers met Monday with a large crowd dancing to tips by Knox Day, caller, and Ervin Davis, club president.

Special guests for the dance were Louise Knox of Levis and Lace and Tommy Tompkins of Reddy Squares.

A large group of students participated in the early lessons with new members of the study group, including Frank and Sandy Humphrey and Jack and Andrena DeSpain.

Couples may begin the square dance lessons as late as Monday night, February 7. The series of lessons is \$12 per couple and are held weekly on Monday nights at the Junior Livestock Building beginning at 7:30 p.m.

Regular dance begins at 8:30 p.m. for the Canyon Capers following a business session.

Wilson Writes Four Articles

Four articles by Dr. J. B. Wilson, dean of the graduate school at West Texas State University, will appear in professional journals this spring. All four concern the 19th Century renaissance in education sponsored by Ralph Waldo Emerson and his fellow transcendentalists of New England.

"An Analogue of Transcendentalism" defines that movement as a new Christian humanism and compares it with the Oxford reform program in Renaissance Europe. The article will appear in the Journal of the History of Ideas, a publication of City University in New York.

A second article, "Pythagoras Crosses the Merri-mack," will be published in The Educational Forum journal of

Kappa Delta Pi, honor society in education. The study concerns the influence of Pythagoras, Plato, and other classical philosophers on educational experiments in Massachusetts, particularly the "Fruitlands" colony of Bronson Alcott.

Dr. Wilson's third essay, "Brook Farm: Seedbed of Education," will appear in School and Society, issued by the Society for the Advancement of Education. It stresses the influence of Pestalozzi, Holbrook and other educational reformers of Europe and America on the Brook Farm Institute of Agriculture and Education.

His last essay, "The Transcendentalists and Women's Education," will be published in the Journal of the American Association of University women.

ROTC Ball February 15

Annual Military Ball, sponsored by Reserve Officer's Training Corps unit at West Texas State University, will be held February 15 at 8 p.m. in the Student Union Building.

The "Swinging Sargeants" of Amarillo Air Force Base will provide dance music during the evening. Highlight of the event will be announcement of the Honorary Cadet Colonel, who will be chosen by R.O.T.C. cadets from among the cadet Corps Coed Sponsors. Other sponsors will hold the honorary rank of lieutenant colonel.

Dress for men attending the ball will be R.O.T.C. uniforms with white shirts and black bow ties, or dress suits for those not in R.O.T.C. Admission will be free to those in uniform, and \$4 per couple for all others. Tickets may be purchased from members of Scabbard and Blade or at the door.

Corps sponsors are Lamoyne Clark, Pampa sophomore; Suste Hughes, White Deer sophomore; Donna DeBerry, Midland freshman; Beverly Blaine, Plainview senior; and Shirley Oles, Claude junior.

Two-Day Fellowship Meet Begins

A fellowship meeting with pastors representing Kansas and the Texas Panhandle will be held tonight, Thursday, and all-day Friday at the Grace Baptist Church in Canyon.

Fellowship both evenings will begin at 7:30 p.m. with the all-day session Friday beginning at 10 a.m. and including a noon luncheon and evening meal served at the Girl Scout Building.

Rev. Bill Frerking of Borger will be guest speaker for services Thursday evening.

Rev. Jerry Mercer is pastor of the host church.

Supper Set For Posse

Pot luck supper was planned for the Randall County Sheriff's Posse at the regular meeting Tuesday night.

The supper will be held Saturday in the club house. The Posse made plans also for several trail rides and parades in the coming months. Twenty-five members of the group were present.

Mr. and Mrs. Carl R. Miller and daughter Carolyn visited during the week end at Maple with her father, Garvin Long, and a brother, Marvin, who was on mid-semester break from Texas A & M.

Rainbows Make \$50

Proceeds of \$50 were realized by the Canyon Order of the Rainbow in a bake sale held last Saturday at Bellah's Market.

Shirley O'Donald, worthy advisor, was chairman of the project. Funds will be used for transportation to the Grand Assembly session in Corpus Christi.

Services Held For Relative

Funeral services for Charles C. Connelley, 77, were conducted Monday, January 24, in Henrietta.

Mr. Connelley, who died January 22, was a brother of Mrs. Norman Roberts of Canyon.

Survivors include his sisters, Mrs. Roberts of Canyon and Mrs. Myrtle Wood of Henrietta, and several nephews and nieces.
